TOWN MEETING ACT

[CHAP. 642.]

An Act to Provide for Precinct Voting, Representative Town Meetings, Town Meeting Members, a Referendum and an Annual Moderator in the Town of Arlington.

Be it enacted, etc., as follows:

Section 1. Upon the acceptance of this act by the Town of Arlington, as hereinafter provided, the members of the board of selectmen, the board of public works and the board of assessors, acting jointly and hereinafter referred to as the districting board, shall forthwith divide the territory thereof into not less than five voting precincts, each of which shall be plainly designated, and shall contain not less than six hundred voters. All precincts shall contain approximately an equal number of voters. The precincts shall be so established as to consist of compact and contiguous territory, to be bounded, so far as possible, by the centre line of known streets and ways or by other well-defined limits. Their boundaries shall be reviewed and, if need be, wholly or partly revised, by the districting board, in December, once in five years, or in December of any year when it is so directed by a vote passed at a town meeting not later than the thirtieth day of November of that year. The districting board shall, within ten days after any establishment or revision of the precincts, but not later than January tenth of the succeeding year, file a report of their doings with the town clerk, the registrars of voters and

the assessors, with a map or maps or description of the precincts and the names and residences of the registered voters therein. The districting board shall also cause to be posted in the town hall a map or maps or description of the precincts as established or revised from time to time with the names and residences of the registered voters therein; and they shall also cause to be posted in at least one public place in each precinct a map or description of that precinct, with the names and residences of the registered voters therein. The division of the town in voting precincts and any revision of the precincts shall take effect upon the date of filing of the report thereof by the districting board with the town as hereinbefore provided. Whenever the precincts are established or revised, the town clerk shall forthwith give written notice thereof to the secretary of the commonwealth, stating the number and designation of the precincts. The provisions of chapter eight hundred and thirty-five of the acts of nineteen hundred and thirteen, and any amendments thereof or additions thereto relating to precinct voting at elections, so far as the same are not inconsistent with this act, shall apply to all elections and primaries in the town upon the establishment of voting precincts as hereinbefore provided.

Sec. 2. Other than the officers designated in section three of this act as town meeting members at large, the representative town meeting membership shall in each precinct consist of the largest number divisible by three which will admit of a representation of all precincts by an equal number of members and which will not cause the total elected town meeting membership to exceed two hundred and seventy. The registered voters in every precinct shall, at the first annual town election held after the establishment of the precincts, and at the first town election following any precinct revision, and conformably to the laws relative to elections not inconsistent with this act, elect by ballot the number of registered

voters in the precinct, other than the officers designated in section three of this act as town meeting members at large, provided for in the last preceding sentence of this section, to be town meeting members of the town. Of the members so elected, one third shall be elected for the term of one year, one third for the term of two years and one third for the term of three years from the day of the annual town meeting; and thereafter, except as is otherwise provided herein, at each annual town election the registered voters of each precinct shall, in like manner, elect one third of the number of town meeting members to which that precinct is entitled for the term of three years, and shall at such election fill for the unexpired term or terms any vacancies then existing in the number of town meeting members in their respective precincts. Upon every revision of the precincts, or of any of them, the terms of office of all town meeting members from every such revised precinct shall cease upon the election of their successors, and at the first ensuing annual town election there shall be an entirely new election of town meeting members in every precinct so revised, as well as in any precinct newly established. The town clerk shall, after every election of town meeting members, forthwith notify each member by mail of his election.

Sec. 3. Any representative town meeting held under the provisions of this act, except as is otherwise provided herein, shall, at and after the first annual election held under this act, be limited to the voters elected under section two together with the following, designated as town meeting members at large, namely, any member of the general court of the commonwealth from the town, the town moderator, the town clerk, the town treasurer, the town auditor, the town collector of taxes, the town counsel, if any, the chairman of the board of selectmen, the chairman of the board of public works, the chairman of the assessors of taxes, the chairman of the school committee, the chairman of the planning board, the chairman

of the park commissioners, the chairman of the board of health, the chairman of the sinking fund commissioners, the chairman of the trustees of the Robbins Library, the chairman of the cemetery commissioners and the chairman of the finance committee, if any. The town clerk shall notify the town meeting members of the time and place at which representative town meetings are to be held, the notices to be sent by mail at least seven days before the meeting. The town meeting members, as aforesaid, shall be the judges of the election and the qualification of their members. A majority of the town meeting members shall constitute a quorum for doing business; but a less number may organize temporarily and may adjourn from time to time. Notice of every adjourned representative town meeting, which shall state briefly the business to be acted upon at the meeting, shall forthwith be posted by the town clerk in one or more public places in each precinct. The town meeting members as such shall receive no compensation. Any voter of the town who is not a town meeting member may attend any representative town meeting, and, subject to such conditions as may be determined from time to time by the members of such meeting, may speak, but shall not vote. A town meeting member may resign by filing a written resignation with the town clerk, and his resignation shall take effect on the date of such filing. A town meeting member who removes from the town shall cease to be a town meeting member, and a town meeting member who removes from the precinct which he was elected to another precinct shall not retain membership after the next annual election.

Sec. 4. Nomination of candidates for town meeting members to be elected under this act shall be made by nomination papers, which shall bear no political designation and shall be signed by not less than fifteen registered voters of the precinct in which the candidate resides and filed with the town clerk at least fifteen days before

the election. No nomination papers shall be valid in respect to any candidate whose written acceptance is not thereon or attached thereto.

Sec. 5. The articles in the warrant for the town meeting, relating to the election of the moderator, town officers, and town meeting members, as hereinbefore provided, referenda, and all other matters to be acted upon and determined by ballot, shall be so acted upon and determined by the voters of the town in the polling places provided for their respective precincts. All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referenda provided for by section eight.

Sec. 6. A moderator shall be elected by ballot at each annual town meeting and shall serve as the moderator of all town meetings, except as otherwise provided by law, until a successor is elected and qualified. Nominations for and the election of a moderator shall be as in the case of other elective town officers, and any vacancy in the office may be filled by the town meeting members at a meeting held for that purpose. If the moderator is absent, a moderator pro tempore may be elected by the town meeting members.

Sec. 7. Any vacancy in the number of town meeting members from any precinct may be filled until the next annual election by the remaining members from that precinct, from among the registered voters of the precinct. Upon the petition therefor, signed by not less than ten town meeting members from such precinct, notices of the vacancy shall promptly be given by the town clerk to the remaining members from the precinct, and the town clerk shall forthwith call a special meeting

of such members for the purpose of filling any vacancy. The town clerk shall cause to be mailed to each of such members, not less than seven days before the time set for the meeting, a notice specifying the object, time and place of the meeting. At the said meeting a majority of the members shall constitute a quorum, and they shall elect from their own number a chairman and a clerk. The choice to fill any vacancy shall be by ballot, and a majority of the votes cast shall be required for a choice. The chairman and clerk shall make a certificate of the choice and forthwith file the same with the town clerk, together with a written acceptance by each member so chosen, who shall thereupon be deemed elected and qualified as a town meeting member, subject to the right of the town meeting members to judge of the election and qualification of members as set forth in section three.

Sec. 8. No article in the warrant shall finally be disposed of by a vote to lay upon the table, to indefinitely postpone, or take no action thereunder. Any vote passed at any representative town meeting under any article in the warrant, except a vote to adjourn, shall be inoperative until after the expiration of five days, exclusive of Sundays and holidays from the dissolution of the meeting. If, within said five days a petition, signed by not less than one hundred registered voters of the town, containing their names and addresses, as they appear on the list of registered voters, is filed with the selectmen requesting that the question or questions involved in such vote be submitted to the voters of the town at large, then the selectmen, within fourteen days after the filing of the petition, shall call a special meeting which shall be held within ten days after the issuing of the call, for the sole purpose of presenting to the voters at large the question or questions so involved. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening, and all votes upon any questions so submitted shall be

taken by ballot, and the check list shall be used in the several precincts in the same manner as in the election of town officers. The questions so submitted shall be determined by vote of the same proportion of the voters at large voting thereon as would have been required by law of the town meeting members had the question been finally determined at a representative town meeting. The questions so submitted shall be stated upon the ballot in the same language and form in which they were stated when presented to said representative town meeting by the moderator, and as they appear upon the records of the said meeting. If such petition be not filed within the said period of five days, the vote in the representative town meeting shall become operative upon the expiration of the said period.

Sec. 9. The town of Arlington, after the acceptance of this act, shall have the capacity to act through and to be bound by its said town meeting members who shall, when convened from time to time as herein provided, constitute representative town meetings; and such representative town meetings shall exercise exclusively, so far as will conform to the provisions of this act, all powers vested in the municipal corporation. Action in conformity with all provisions of law now or hereafter applicable to the transaction of town affairs in town meetings shall, when taken by any representative town meeting in accordance with the provisions of this act, have the same force and effect as if taken in a town meeting open to all the voters of the town as heretofore organized and conducted.

Sec. 10. This act shall not abridge the right of the people of Arlington to hold general meeting, as that right is secured to them by the constitution of the commonwealth; nor shall this act confer upon any representative town meeting in Arlington the power finally to commit the town to any measure affecting its municipal

existence or changing its government, without the action thereon by the voters of the town at large, using the ballot and check lists therefor.

Sec. 11. This act shall be submitted to the registered voters of the town of Arlington at any annual or special town meeting called for the purpose. The vote shall be taken by ballot in accordance with the provisions of chapter eight hundred and thirty-five of the acts of nineteen hundred and thirteen and any amendments thereof or additions thereto, so far as the same shall be applicable, in answer to the question: "Shall an act passed by the general court in the year nineteen hundred and twenty entitled 'An Act to provide for precinct voting, representative town meetings, town meeting members, a referendum and an annual moderator in the town of Arlington' be accepted by this town?" and the act shall take effect upon its acceptance by a majority of the voters voting thereon.

Sec. 12. Chapter one hundred and sixty-eight of the acts of nineteen hundred and six being an act relative to town meetings in the town of Arlington, is hereby repealed.

Sec. 13. So much of this act as authorizes its submission to the registered voters of the town shall take effect upon its passage, and the remainder shall take effect upon its acceptance as aforesaid. (Approved December 22, 1920.)

ARLINGTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1926

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington to meet in the Town Hall, in said Town on Thursday, the 14th day of January, 1926, at 8.00 o'clock, P. M., to act on the following Articles, viz:—

Article 1. To hear and act on the reports of the Committee on Revision of the Town's By-laws under vote of the Town passed May 28, 1925, and the Finance and other committees heretofore appointed.

Article 2. To see if the Town will make an appropriation for the purchase of equipment for the department of Sealer of Weights and Measures; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 3. To see if the Town will make an appropriation for additional fire apparatus; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 4. To see if the Town will make an additional appropriation for the purpose of constructing a building to be used as an engine house, upon the land situated in said Arlington and bounded southwesterly by Massachusetts Avenue, northwesterly by land of the Town acquired for park purposes, northeasterly by Broadway, and southeasterly by Franklin Street, including the cost of original equipment and furnishings; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee on Additional Fire Accommodations)

Article 5. To see if the Town will make an appropriation or appropriations for the payment of taxes assessed by reason of the ownership of land acquired or owned by the Town; or take any action relating thereto.

Article 6. To see if the Town will make an appropriation for the foreclosure of all rights of redemption from any and all titles conveyed by a tax collector's deed or a taking of land for taxes; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 7. To see if the Town will make an appropriation for the registration by the Land Court of the Town's title to any and all lands or interests in land at any time now or hereafter held or claimed by it; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 8. To see if the Town will appoint a committee to procure plans and estimates for the construction of a school building on land of the Town situated on Irving Street; make an appropriation therefor; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 9. To see if the Town will appoint a committee to consider the condition of Spy Pond and the

report thereon by the State Department of Public Health under the provisions of chapter 19 of the Resolves passed by the General Court in 1925; make an appropriation for the use of such committee; or take any action relating thereto.

(Inserted at the request of the Board of Health)

Article 10. To see if the Town will appropriate the sum of five hundred ($500) dollars to be expended under the direction of the Arlington World War Memorial Committee.

(Inserted at the request of more than one hundred (100) registered voters)

Article 11. To see if the Town will authorize the conveyance of any and all parcels of land or parts thereof or interests therein, or the abandonment of any and all easements or rights or parts thereof, taken or acquired by the Town in connection with taxes or assessments; or take any action relating thereto.

Article 12. To see if the Town will authorize the release of all the right, title and interest it may have under or by virtue of any deed or other instrument conveying or purporting to convey or assign and transfer to it, any land, right, title or interest in land, sold for the non-payment of taxes or assessments; or take any action relating thereto.

Article 13. To see if the Town will vote to petition the General Court for authority to revoke the Town's acceptance of Chapter 635 of the Acts of 1912 entitled An Act Relative to Tenement Houses in Towns; or take any action relating thereto.

(Inserted at the request of the Committee on Revision of Town By-laws)

Article 14. To see if the Town will vote to petition the General Court for the enactment of a statute applicable to the Town of Arlington, relating to tenement houses

as defined by Chapter 145 of the General Laws or to buildings and other structures; or take any action relating thereto.

Article 15. To see if the Town will amend its Zoning By-law by altering the zoning map therein referred to so as to include in the Business District all or any portion of the area on the southerly side of Massachusetts Avenue bounded easterly by Academy Street, southerly by the General Residence District as shown on said map, westerly by Newman Way, so-called, and northerly by Massachusetts Avenue; or take any action relating thereto.

(Inserted at the request of the Planning Board)

Article 16. To see if the Town will amend its Zoning By-law by altering the zoning map therein referred to so as to include in a Business District the premises numbered 792 on the southerly side of Massachusetts Avenue, now shown on said map as being included in a Single Residence District, and being Lot 16 as shown on plan entitled "Partition Plan of the T. H. Teel Estate in Arlington, J. O. Goodwin, Surveyor, dated April 18, 1884", recorded with Middlesex South District Deeds, plan book 42, plan 3, bounded and described as follows: Northeasterly by Massachusetts Avenue as now laid out, 72.82 ft., northwesterly by Lot 17, 128.24 ft., southwesterly by Lot 18, 67.11 ft., southeasterly by Lot 15, 151.31 ft., more or less, containing 9515 sq. ft., more or less; or take any action relating thereto.

(Inserted at the request of more than one hundred (100) registered voters)

Article 17 To see if the Town will further change the map entitled "Town of Arlington, Massachusetts, Zoning Map, prepared under the direction of the Zoning Committee by John P. Fox, Consultant on Zoning, March 1924" which map showing the districts of classes was adopted at the adjourned meeting held May 15, 1924, of

the Annual Town Meeting of 1924, by including in the fourth or Business District, the land on the southerly side of Massachusetts Avenue between Newman Way and Churchill Avenue to a depth of one hundred seventy (170) feet from the southerly side line of said Massachusetts Avenue; or take any action relating thereto.

(Inserted at the request of more than one hundred (100) registered voters)

Article 18. To see if the Town will further change the map entitled "Town of Arlington, Massachusetts, Zoning Map, prepared under the direction of the Zoning Committee by John P. Fox, Consultant on Zoning, March 1924" which map showing the districts of classes was adopted at the adjourned meeting held May 15, 1924, of the Annual Town Meeting of 1924, by including in the fourth or Business District, the land on the southerly side of Massachusetts Avenue between Churchill Avenue and Lockeland Avenue to a depth of one hundred ten (110) feet from the southerly side line of said Massachusetts Avenue; or take any action relating thereto.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this twenty-first day of December in the year of our Lord one thousand nine hundred and twenty-five.

CHARLES B. DEVEREAUX
FREDERICK W. HILL
NELSON B. CROSBY

Selectmen of the Town of Arlington

CONSTABLE'S RETURN

Arlington, Mass., January 4, 1926

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local paper.

(Signed) DANIEL M. HOOLEY
Constable, Town of Arlington, Mass.

Arlington, January 14, 1926.

Pursuant to the Warrant of the Selectmen, served according to law upon the inhabitants of the Town of Arlington by a Constable of said Town, and sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members duly elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met in the Town Hall, in said Town on Thursday, January 14, 1926, at eight o'clock in the evening. Notices of the Special Town Meeting were published in the local paper.

The check lists as filed with the Town Clerk at the close of the meeting showed that one hundred and sixty-six members attended the meeting, Messrs. Philip T. Robinson and Albert Peirce acting as checkers.

The meeting was called to order at ten minutes after eight o'clock in the evening by the Moderator, John G. Brackett.

The Clerk read the call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by unanimous consent of the meeting.

On motion of Charles B. Devereaux:

Voted: That if the business in the Warrant calling this meeting is not disposed of on this date, the meeting adjourn to meet on Thursday evening, January 28, 1926, at eight o'clock.

On Motion of Hollis M. Gott, Chairman of the Finance Committee:

Voted: That Article 1 be taken up. (Reports of Committees).

Edward N. Lacey presented the following partial report of the Committee on Revision of the Town's By-Laws.

"TO THE TOWN OF ARLINGTON:

Your Committee appointed to revise the Town's By-Laws particularly those with regard to buildings, find themselves unable to proceed further with their work without knowing whether the Town desires to have the laws in regard to tenements changed.

The Town accepted in 1912 the State law now Chapter 145 of the General Laws relative to tenements in Towns and it now finds itself unable to make any changes.

After careful investigation your Committee is of the opinion that at present little development along Massachusetts Avenue can take place except by the building of one story stores and these of only limited number.

One and two story dwellings can be built but the land is too valuable to encourage this class of buildings.

Apartments or a combination of apartments and stores are made almost prohibitive by the present tenement house law which calls for first class construction and allows only 50% of the lot to be covered by buildings.

These two requirements add greatly to the cost of the building and prevent the land being used to the best advantage.

Some of the larger towns, for example Brookline, never accepted this State law but have incorporated much of that law in their By-Laws as have the Cities of Boston, Cambridge, Malden, etc., but with more liberality in regard to areas and type of construction.

If the Town revokes its acceptance of the State law, your committee plans to recommend that the Town adopt as part of its By-laws 53 of the 63 sections of the present law so far as applicable. The remaining ten sections we would have changed substantially as follows:

Section 10. We recommend that the percentage of lot covered be increased from 50% to 60% with a further allowance in case the lot is less than 80 ft. deep, its percentage increases, as the lot decreases in depth, to a limit of 70% which would be for a lot 60 ft. or less in depth.

Section 11. While this section will call for tenements to be built of first class (or fireproof) construction, it provides that buildings not over 3500 sq. ft. in area to be constructed of second class construction (Masonry wall and wood floor construction), with certain restrictions in regard to fire-proofing basement and stairways and with further restrictions to still further protect from fire in cases where the building is over three stories high.

Section 13. Reduce the rear yard of three story tenements from 25 ft. to 20 ft. with a still further reduction where the lots are less in depth than 100 ft.

Section 17. Garages of first class construction are allowed on the same lot with a tenement house without the necessity of maintaining an open space across the entire width of lot.

Section 20. This section to be amended so that the area of windows will be at least 1/10 of the superficial area of the room instead of 1/7 in the present law.

Section 21. This section to be amended to allow 120 sq. ft. in floor area instead of 150 sq. ft. as the minimum size of at least one room in an apartment and the minimum height to be 8 ft. 6 inches instead of 9 ft.

Section 30. Reference to water closet in the basement to be omitted.

Section 34. To be amended to allow first or second class as previously allowed in Section 10.

Section 35. To be amended by leaving out the exact limit as to the rise and tread of stairways.

Section 36. To be omitted as this section is covered by Section 10.

The committee recommends that the Town petition the Legislature for permission to revoke its acceptance of the Act Relative to Tenement Houses in Towns (now Chapter 145 of the General Laws), namely favorable action on Article 13 of the Warrant.

Respectfully submitted.

Voted: That the Report be received.

On motion of Elliott R. Barker, Chairman of the Committee on Cutter School Addition.

Voted: That the following report be accepted and the Committee be discharged.

"January 8, 1926.

Mr. Moderator and Town Meeting Members:

The school building committee having in charge the construction of the Cutter School addition beg leave to present the following final report:

At the Town Meeting of March 24, 1924 the sum of $109,000 was appropriated for this project, of which $13,000 was levied in the taxes of 1924 and the balance of $96,000 was to be raised in the form of notes of the Town. This amount of $96,000 was reduced to $90,000 in the Town Meeting of February 13, 1925 when it was found that this sum was sufficient to complete the project.

Your Committee was appointed by the Moderator, obtained plans of the proposed eight-room addition from the architectural firm of Gay and Proctor, of which Mr. Proctor is our Townsman, and proceeded to let the contracts for the various parts of the work. Through the hearty co-operation of the architects and contractors the work progressed rapidly during the summer and fall and the building was occupied in November 1924.

Our duties in connection with this building are now completed and we render the following accounting:

Original appropriation of March 25, 1924		$109,000 00
Expenditures		
General Contract—Joseph S. Greenwood	$75,402 15	
Architect—Gay and Proctor	5,500 00	
Heating and ventilating	7,173 08	

Plumbing	3,384 00	
Misc. charges	360 35	
Furnishings	5,221 36	
Hardware	700 00	
Insurance	1,346 25	99,087 19
Total balance returned to Town		$ 9,912 81
Reduction of Borrowing as voted in Town Meeting of February 13, 1925		$ 6,000 00
Net balance now in Town Treasury		$ 3,912 81

Respectfully submitted,

FOSTER P. DOANE

ELLIOTT R. BARKER, Chairman"

On motion of Hollis M. Gott:

Voted: That the report of the Finance Committee as presented to this meeting in printed form be received.

On motion of Hollis M. Gott:

Voted: That Article 1 be laid upon the table.

On motion of Hollis M. Gott:

Voted: That Articles 2 to 14, both inclusive, in the Warrant with the respective recommendations of the Finance Committee as contained in the printed report be taken up and that the same be considered as now before the meeting and voted upon separately and in the order given without further motion.

Article 2 taken up. (Appropriation for Sealer of Weights and Measures.)

Voted: That the sum of $170 be and hereby is appropriated for the purchase of equipment for the department of Sealer of Weights and Measures; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Article 3 taken up. (Additional Fire Apparatus.)

On substitute motion of Hollis M. Gott:

Voted: That the sum of $12,500 be and hereby is appropriated for the purchase of additional fire apparatus, for the use of the Fire Department; said sum to be raised by general tax and expended under the direction of the Chief of the Fire Department subject to the approval of the Board of Selectmen.

Article 4 taken up. (Additional Appropriation for Central Fire Station.)

Voted: That there be and hereby is appropriated the additional sum of $11,811.75 for the purpose of constructing a building to be used for an engine house upon the land situated in said Arlington and bounded southwesterly by Massachusetts Avenue, northwesterly by land of the Town acquired for park purposes, northeasterly by Broadway, and southeasterly by Franklin Street, including the cost of original equipment and furnishings; said additional sum to be raised by general tax and expended under the direction of the committee appointed under vote of the Town passed March 28, 1923, to procure plans and estimates for the construction of a Fire Department building and the installation therein of fire alarm apparatus.

Article 5 taken up. (Appropriation for Payment of Taxes on Town Land.)

On substitute motion of Hollis M. Gott:

Voted: That the Town do not appropriate any sum for the payment of taxes assessed by reason of the ownership of land acquired or owned by the Town.

Article 6 taken up. (Appropriation for Foreclosure).

Voted: That the sum of $1,500 be and hereby is appropriated for the foreclosure of all rights of redemption from any and all titles conveyed by a tax collector's deed or a taking of land for taxes; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Article 7 taken up. (Appropriation for Registration by Land Court.)

Voted: That the sum of $3,000 be and hereby is appropriated for the registration by the Land Court of the Town's title to any and all lands or interests in land at any time now or hereafter held or claimed by it; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Article 8 taken up. (School Building on Irving Street.)

Voted: That a committee of five be appointed by the Moderator to procure plans and estimates for the construction of a school building on land of the Town situated on Irving Street, said committee to have the power to fill vacancies and to report to the Annual Meeting 1926; and that the sum of $750 be and hereby is appropriated for the use of said committee.

Committee named on Irving Street Schoolhouse:

ELLIOTT R. BARKER
CHARLES B. DEVEREAUX
WALTER F. ROBINSON
CHARLES A. HARDY
M. ERNEST MOORE

Article 9 taken up. (Spy Pond.)

Voted: That a committee of five be appointed by the Moderator to consider the condition of Spy Pond and the report thereon by the State Department of Public

Health under the provisions of chapter 19 of the Resolves passed by the General Court in 1925; said committee to have the power to fill vacancies and to report to the Annual Meeting 1926; and that the sum of $100 be and hereby is appropriated for the use of said committee.

Committee named:

ALFRED LOMBARD
WARREN A. PEIRCE
ROGER W. HOMER
J. HOWARD HAYES
CHARLES L. FITCH

Article 10 taken up. (World War Memorial.)

Before taking any action on this article Mr. Gott explained to the meeting that the Finance Committee recommended that no appropriation be made on account of the fact that it would not be legal for the Town to appropriate money to be expended by a self-appointed committee.

Voted: That the Town do not appropriate the sum of five hundred ($500) dollars to be expended under the direction of the Arlington World War Memorial Committee.

Article 11 taken up. (Conveyance of Land or Abandonment of Easements.)

On the substitute motion of Hollis M. Gott:

Voted: (Unanimously) That the present and each future Board of Selectmen be and hereby is authorized in the name and behalf of the Town to sell at public auction or private sale any and all parcels of land or parts thereof at any time taken, acquired or held by the Town under or by virtue of a tax collector's deed or a taking in connection with taxes or assessments, after the title of the Town has become absolute; to convey such land, and to execute, acknowledge and deliver a proper deed or

deeds for that purpose, all for the minimum amount of one dollar for each such conveyance.

Article 12 taken up. (Release of Right, etc., for Non-payment of Taxes or Assessments.)

Voted: (Unanimously) That the Selectmen be and hereby are authorized and empowered in the name and on behalf of the Town to convey or release all the right, title and interest which the Town acquired under or by virtue of a certain deed of Julia E. Fuller to it, dated June 3, 1916, and recorded with Middlesex So. Dist. Deeds, book 4058 page 223, in and to the premises therein described, being a certain parcel of land situated on Lansdowne Road and Millett Street, containing 4342 square feet of land more or less, and shown as the lot No. 37 on a plan entitled "Plan of House Lots at Homestead Park, Arlington, belonging to William Millett", drawn by J. O. Goodwin, Surveyor, dated May 1901, revised June 1902, recorded with said Deeds, plan book 138 plan 15; and to execute, acknowledge and deliver a proper deed for that purpose for the minimum amount of one dollar for such conveyance or release, and upon such other terms as the Selectmen shall consider proper.

Article 13 taken up. (To Revoke Tenement House Act.)

Voted: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered in the name and on behalf of the Town to petition the General Court for authority to revoke the Town's acceptance of Chapter 635 of the Acts of 1912 entitled An Act Relative to Tenement Houses in Towns.

Article 14 taken up. (New Law Relative to Tenement Houses.)

Voted: (Unanimously) That the Town do not vote to petition the General Court for the enactment of a statute applicable to the Town of Arlington, relating to

tenement houses as defined by Chapter 145 of the General Laws or to buildings and other structures.

On motion of Hollis M. Gott:

A True Record, Attest:

E. CAROLINE PIERCE,
Town Clerk

Arlington, January 28, 1926.

Pursuant to the vote of adjournment on January 14, 1926, the Town Meeting Members met in the Town Hall on Thursday evening, January 28, 1926, notices having been sent by mail by the Town Clerk to the Town Meeting Members seven days before the meeting. Notices were published in the local paper and posted in three places in each precinct.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of James F. Higgins and Philip T. Robinson.

The check lists filed with the Town Clerk at the close of the meeting showed that one hundred and fifty-one members attended the meeting.

The meeting was called to order at five minutes past eight o'clock in the evening by the Moderator, John G. Brackett.

The Town Meeting Members who had not already been sworn were sworn by the Moderator.

On motion of William A. Muller:

Voted: That Article 21 be taken up. (Zoning—Massachusetts Avenue from High School Lot to Court Street.)

By permission of the Moderator, Mr. Walter C. Sargent presented to the Town Meeting Members the reasons why twenty abutting owners in this district were in favor of changing this territory from a single residence district to a business district.

On motion of William A. Muller:

Voted: (On rising vote, one hundred and sixteen voting in favor, thirty-two in opposition, more than the necessary two-thirds; Messrs. Converse, Bent and Hardy acting as tellers) That the Town's Zoning By-law be

and hereby is amended by altering the zoning map therein referred to so as to include in a Business District all the area on the northerly side of Massachusetts Avenue, bounded southerly by Massachusetts Avenue, westerly by the High School lot, northerly by the Industrial District and the Semi-Residence District, as shown on said zoning map, and easterly by Court Street.

Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., February 23, 1926.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the times and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the times, places and objects of the meetings was published in the local paper.

(Signed) DANIEL M. HOOLEY,
Constable, Town of Arlington, Mass.

Arlington, March 1, 1926.

In pursuance of the foregoing Warrant the legal voters of the Town of Arlington met in their respective voting places in said Town on Monday, the first day of March, in the year of our Lord one thousand nine hundred and twenty-six at seven o'clock in the forenoon.

On account of the crowded condition of the voting place at the Crosby School Building a new voting place in the Hardy School Building was established. The following places were designated as the voting places for the various precincts: Precinct 1, Crosby School Building, Winter Street; Precinct 2, Hardy School Building, Lake Street; Precincts 3, 4, 5 and 6, Robbins Memorial Town Hall; Precinct 7, Locke School Building, Park Avenue.

The following elected officers, having been duly appointed by the Selectmen, were assigned for duty at the various precincts as follows:—

Precinct 1, Herbert B. Kellogg, Warden; Chester E. Smith, Clerk; Percy S. Morine, Arthur Coughlin, Ralph Kinsman, Ethel Mellin, Catherine Hamall, Claire Pavey, Edna Kelly, William H. Smith, John Buckley.

Precinct 2, Edward A. Smith, Warden; Walter J. Buckley, Clerk; J. Roger Wallace, Clarence E. Biathrow, Claude J. C. Hamilton, Elizabeth Cain, Ruth Evers Corey, Sarah Wheeler.

Precinct 3, David T. Dale, Warden; Walter T. Chamberlain, Clerk; Harry W. Marden, William E. Robinson, Harold A. Cahalin, Edward D, McCarthy, Paul K. Lincoln, Joseph J. Duffy, Anna E. Duffy, Carrie M. Fowle.

Precinct 4, Roger W. Homer, Warden; Ralph W. Day, Clerk; Frank B. Hargrove, Mildred M. Hargrove, Ruth C. Turner, Stanwood H. Cook, Helen F. Gallagher, Alice Morrissey, Stephen D. Merrill, Charles P. Goulding.

Precinct 5, Arthur J. Hendrick, Warden; Maurice L. Hatch, Clerk; John G. Kelly, Charles P. Ladd, Jr., Therese B. Thomas, Chester R. Whitman, Emily G. Alden, Mary M. Donahue, Thomas J. Donnelly, Jr., Michael J. Canniff.

Precinct 6, James E. Doughty, Warden; Augustin D. Doyle, Clerk; John E. Hendrick, Eliza Kirsch, Roger S. Dunbar, Conrad W. Mellin, Charles E. Dockrill, John M. Dunn, James G. Moir, Benjamin D. Knowles.

The foregoing officers were sworn to the faithful

performance of their duties. The necessary ballots prepared for each precinct and all other paraphernalia for the proper conduct of the election was supplied by the Town Clerk and turned over to the officers of the various precincts.

The polls were declared open in each precinct at seven o'clock in the morning and remained open until eight o'clock in the evening, at which time after due notice they were declared closed.

The ballots were counted by the election officers in each precinct, the tally sheets and total tally sheets prepared by the Town Clerk, being used.

The ballots cast, after being counted, were enclosed in envelopes, sealed, signed by the election officers, and encased in wooden boxes which were locked and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and Registrars of Voters upon receipt of the returns from the several precincts forthwith canvassed the same and announced the result.

TOWN WARRANT

Commonwealth of Massachusetts Middlesex ss.
To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington to meet in the

TOWN HALL
in said Town on

Friday, the 26th day of March, 1926, at 7.30 o'clock P. M., to act on the following articles, viz:—

Article 1. To hear and act on the reports of the Committee under vote of the Town passed May 28, 1925 to consider the amendment, alteration, repeal or revision of or additions to the Town's By-Laws; of the Committee under vote of the Town passed Jan. 14, 1926, to procure plans and estimates for the construction of a school building on land of the Town situated on Irving Street; of the Committee under vote of the Town passed March 26, 1925, to investigate and consider the matter of additional police accommodations, and the Finance and other Committees heretofore appointed.

Article 2. To see if the Town will vote to construct a building for police purposes upon the land of the Town situated on Central Street; make an appropriation for such construction, including the cost of original equipment and furnishing; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee to Procure Plans and Estimates for the Construction of a Building for the Use of the Police Department)

Article 3. To see if the Town will authorize the sale, conveyance or other disposition of the building on the

land on Central Street, acquired by the Town for police purposes, under vote passed March 26, 1925; or take any action relating thereto.

(Inserted at the request of the Committee to Procure Plans and Estimates for the Construction of a Building for the Use of the Police Department)

Article 4. To see if the Town will vote to construct a schoolhouse on land of the Town on Irving Street; make an appropriation for such construction, including the cost of original equipment and furnishing; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee on New School Building on Irving Street)

Article 5. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise, for school purposes, of a parcel or parcels of land situated in said Arlington within the area bounded by Massachusetts Avenue, Foster Street, Broadway, and Winter Street; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 6. To see if the Town will revoke its acceptance of Chapter six hundred and thirty-five of the Acts of nineteen hundred and twelve, being an act relative to tenement houses in towns; or take any action relating thereto.

(Inserted at the request of the Committee on Revision of Town By-laws)

Article 7. To see if the Town will ratify the vote passed March 25, 1918 under Article 36 of the Warrant for the annual meeting of 1918, to wit: "That the Town accept the provisions of chapter 79 of the Special Acts of the year 1918 relating to the compensation of call members of the Fire Department for injuries received during the actual performance of duty as such call men"; accept Chapter 79 of the Special Acts of the year 1918 being "An Act relative to pensioning call members of

the fire department of the town of Arlington"; or take any action relating thereto.

Article 8. To see if the Town will accept section ninety-seven of Chapter forty-one of the General Laws relating to police departments; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this eighth day of March in the year of our Lord one thousand nine hundred and twenty-six.

FREDERICK W. HILL,
NELSON B. CROSBY,
HOLLIS M. GOTT,
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., March 17, 1926.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each

voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local paper.

(Signed) DANIEL M. HOOLEY,
Constable of Arlington.

SPECIAL MEETING

Arlington, March 26, 1926.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a Constable of said Town and notices sent by mail by the Town Clerk seven days before the day of meeting to the Town Meeting Members, elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members so qualified met in the Robbins Memorial Town Hall in said Town on Friday, March 26, 1926, at 7:30 o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of James F. Higgins and Philip T. Robinson. The lists contained the names of two hundred and sixty-one Town Meeting Members qualified to participate and vote in Town Meetings in Arlington.

The Check Lists filed with the Town Clerk at the close of the meeting showed that two hundred and ten members attended the meeting.

The meeting was called to order at 7:35 o'clock by the Moderator, John G. Brackett.

The Town Meeting Members were sworn by the Moderator.

Copies of the Warrants having been supplied to the Town Meeting Members the Clerk read only the Call and Constable's return of the Warrant, the meeting voting on Frederick W. Hill's motion to dispense with the reading of the remainder of the Warrant.

On motion of Frederick W. Hill, it was,

Voted: That at 8 P. M. this meeting adjourn until 8:15 P. M.

On motion of Frederick W. Hill:

Voted: That if the business in the Warrant calling this meeting is not disposed of on this date, the meeting adjourn to Monday evening, April 5, 1926, at 7:30 o'clock.

On motion of Frederick W. Hill:

Voted: That Article 1 be taken up.

Article 1 taken up. (Reports of Committees.)

On motion of Frederick W. Hill:

Voted: That the report of progress of the Committee under vote of the Town passed May 28, 1925, to consider the amendment, alteration, repeal or revision of or additions to the Town's By-laws be received.

Report presented by Edward N. Lacey as follows:
To the Town of Arlington:

The Committee on Revision of Town By-laws appointed under vote passed May 28th, 1925, made a progress report at the Town Meeting held on January 14th, 1926, in which they recommended that the Town petition the General Court for permission to revoke its previous acceptance of Chapter 635 of the Acts of 1912 in relation to tenement houses. The Town has now been given that permission by the General Court, and we recommend that the Town revoke its acceptance.

If the Town so votes, it will be necessary to substitute for Section 8 of the present Building By-laws, which refers to Chapter 635 of the Acts of 1912, as governing the construction of tenement houses, a new Section 8 which, to a large extent, includes all of the features of the old law on questions of safety and health, but permit a class of construction which will allow a building of much less cost to be built.

Your Committee has carefully studied this matter, held public meetings, consulted building laws of other cities and towns, and conferred with Mr. Gratto, Building Inspector, and Mr. Tierney, Chief of the Fire Department, and the By-laws placed before you for acceptance include every precaution for the preservation of health and protection of life in case of fire, as will be found in modern building laws.

We also recommend that the Town amend Sections 13 and 16 of our present Building By-laws in regard to wall construction and floor loads. In both these Sections the requirements are much more severe than in other Towns and Cities. This means unnecessary expense to every person undertaking building operations, and also affects every taxpayer in the increased cost of schools and other public buildings. We are told that a substantial sum could have been saved in the construction of the Hardy School if a more liberal building regulation had been in effect. All three of the above mentioned new Sections will be found in full in the pamphlet which has just been distributed to every Town Meeting member.

If the new Section 8 is substituted for the old Section, it will be necessary to amend Article 13 of the Zoning law in order to have it conform with this Section.

Article 13 of the Zoning law was drawn up to meet with the requirements of the old tenement house law, which allowed but 50% of the lot to be covered by buildings, whereas the proposed new By-law allows 60%, and under certain conditions 70%.

With the above three Sections of the Building laws amended, there is no pressing need of any changes in other Sections of the Building By-laws at this time, but we recommend that the work of the Committee continue for the purpose of revising other Sections of the By-laws and to submit at a later Town Meeting a complete revision of building regulations. Questions such as the ap-

pointment of a Board of Appeal and the adoption of a schedule of charges for building permits, also the adoption of new plumbing regulations, along lines which have been recommended by Secretary Hoover's Committee after they made exhaustive tests at Washington on this question, all these require careful study and your Committee would like further time to complete their work.

GEORGE W. KENTY
WALTER F. ROBINSON.

Voted: That the report of the Committee under vote of the Town passed January 14, 1926, to procure plans and estimates for the construction of a school building on land of the Town situated on Irving Street be received.

The report was presented by Elliott R. Barker, Chairman of the Committee.

Voted: That the report of the Committee under vote of the Town passed March 26, 1925, to investigate and consider the matter of additional police accommodations be received.

Report presented by Frederick W. Hill as follows:

The Committee to procure plans and estimates for a new police station in Arlington as provided for under Article 26 of the Warrant calling the Annual Town Meeting of 1925 herewith submits the following report:

The Committee organized on June 12, 1925, with Mr. Frederick W. Hill as Chairman, and voted at its first meeting to hold a competition limited to six architects not necessarily residents of Arlington. From a list of architects, nine were chosen from which to select the six who were to be invited to compete. An Australian ballot taken by the Committee resulted in the selection of the

following architects, who were on Oct. 20, 1925, invited to enter the competition:

GEORGE F. NEWTON
ADDEN & PARKER
CHAS. G. LORING
CHAS. B. DUNHAM
WM. PROCTOR
KENDALL TAYLOR CO.

George F. Newton, Adden & Parker, and Kendall Taylor Company, being members of the Boston Society of Architects, replied that unless the competition was conducted in accordance with the rules and regulations of the American Institute of Architects, they would be unable to enter. The Committee then got in touch with the Secretary of the Boston Chapter of the Society of Architects and was informed that the Boston Society would be glad to co-operate and would furnish an architectural adviser to assist the Committee without an expense to Arlington. After waiting six weeks the Committee received word from the adviser designated by the Boston Society of Architects, that owing to the fact that the Committee did not have the authority to make a final choice, the contest could not be conducted under the rules and regulations of the American Institute of Architects. The Committee then prepared its own program and invited Messrs. Wm. Proctor, Chas. G. Loring and Chas. B. Dunham to appear before it and receive copies of the program and instructions as to how the contest was to be conducted.

On March 2, 1926, three sets of unmarked plans accompanied by the sealed, unmarked envelopes were opened by the Chairman of the Committee at a meeting held in the Town Hall, Arlington, at which all the members of the Committee were present. Plans were scored on the following basis: Utility, Architecture, Cost, the scoring on utility and architecture being done before the

envelopes giving the name of contestant and estimated cost of construction, were opened. Each member of the Committee scored separately and did not disclose final score until all the members had completed their scoring. The plans and envelopes were lettered A, B, and C and so scored and rated. The plans and estimate submitted by one contestant were disqualified because the estimated cost of construction was in excess of the limit set by the Committee in the program, as given out to the contestants.

A comparison of the other two plans presented resulted in the unanimous selection by the Committee of those submitted by Mr. Chas. B. Dunham of Melrose.

It is the opinion of the Committee that if a building is built substantially in accordance with the plans submitted by Mr. Dunham, the Town of Arlington will have a Police Station constructed and arranged to meet the needs of the Town for years to come.

The Committee therefore recommends the appropriation of $115,000 for the construction of a new Police Station, including the signal system and the furnishings under Article 2 in the Warrant for the Special Town Meeting to be held March 26, 1926.

Respectfully submitted,
FREDERICK W. HILL,
WILLIAM S. FAIRCHILD,
ALFRED W. LOMBARD,
THOMAS J. DONNELLY,
THOMAS O. D. URQUHART.
Committee.

Mr. Charles M. MacMillin presented the report of the Planning Board on a Town Plan which is as follows:

"REPORT OF THE PLANNING BOARD ON A TOWN PLAN FOR THE TOWN OF ARLINGTON, MASS.

April, 1924, the Town voted an appropriation, and requested the Planning Board to prepare a "Town Plan."

We have gone into this matter exhaustively in conjunction with our consultant, Mr. Charles W. Eliot, 2nd., and we submit herewith, our Plan in printed form. Copies of the same have been distributed to the officials of the Town, as well as the Town Meeting Members.

I therefore move that this report be accepted as a completion of our efforts, according to the vote of the Town.

Respectfully submitted,
CHARLES M. MacMILLIN, Chairman
HERBERT M. DUTCHER, Secretary
CAROLYN B. REED
CYRUS E. DALLIN
ROBERT W. POND"

On the substitute motion of Professor Alexander H. Rice:

Voted: That this report be accepted and that the Planning Board be authorized from time to time to present to the Town, for consideration, such recommendations as they may see fit, as outlined in their Town Plan.

On motion of William A. Muller:

Voted: That the Town Meeting Members not already sworn be sworn by the Moderator for the faithful performance of their duties.

On motion of J. William Fellows, Chairman of the Finance Committee.

Voted: That the remaining articles in the Warrant be now taken up in the order in which they appear in said Warrant and the recommendations of the Finance Committee as contained in the printed report be considered as now before the meeting.

On motion of Frederick W. Hill:

Voted: That Article 3 be taken up.

Article 3 taken up. (Reports of Selectmen—Other Town Officers and Committees)

On motion of Frederick W. Hill:

Voted: That the reports of the Selectmen and the various Town Officers, as presented in the Town Report, together with the additions of the Table of Statistics of Assessors and Committees heretofore appointed be accepted.

No report was made by the committee under vote passed April 16, 1923, to investigate the matter of additional fire protection in the western part of the Town.

No report was made by the committee under vote of April 16, 1923, to draw up regulations relating to land acquired by the Town in connection with unpaid taxes and assessments.

No report was made by the committee under vote passed March 28, 1923, for the construction of a fire department building.

On motion of Frederick W. Hill:

Voted: That the report of the committee under vote passed January 14, 1926, to consider the condition of Spy Pond be received.

Report presented by Alfred W. Lombard as follows:

"REPORT OF THE COMMITTEE OF THE TOWN OF ARLINGTON TO INVESTIGATE THE CONDITION OF SPY POND

Arlington, Mass., March 22, 1926.

To the Moderator and Town Meeting Members:

The Committee to consider the condition of Spy Pond and the report thereon by the State Department of Public Health as provided for under Article 9 of the Warrant calling the Special Town Meeting of January 14, 1926, submit the following report:

The investigation as carried by the State Department of Public Health shows that in addition to excessive growths of water weeds in the shallow parts of the Pond, that its waters are also affected by the presence of microscopic organisms, known as blue-green algae, which, unlike the weeds, affect the whole pond.

As a result of the investigation the Department of Public Health is of the opinion that in order to prevent

the excessive growth of water weeds and maintain the pond in satisfactory condition it will be necessary to deepen the shallow parts of the pond sufficiently to make the conditions unfavorable to their growth. The Department is further of the opinion that the blue-green algae can be controlled by the proper use of small quantities of copper sulphate at the times when the growth appears.

The State Department of Public Health's estimate for the necessary work to obtain a minimum depth of eight feet is as follows:

Surface of the Pond maintained at Grade 7	$219,000.00
Surface of the Pond maintained at Grade 9	131,000.00
Surface of the Pond maintained at Grade 11	85,000.00

These estimates include dredging, construction of control works at the Spy Pond end of the 36″ iron pipe laid by the City of Cambridge in 1876, and the extension of the surface drains into the pond.

Your Committee realizing that any such expenditure is out of the question cast about for another solution of the question.

Mr. Hammond of the State Board of Health, the engineer handling the problem for the State, met with your Committee and went over the situation very carefully. As a result of this conference, and other investigations carried on by the Committee, we submit the following recommendations:

1st. That the Town acquire all the rights in and to the 36″ iron pipe laid by the City of Cambridge in 1876, and which today constitutes the only outlet to Spy Pond.

2nd. That a control works be constructed at the Spy Pond end of this pipe, and that said works be constructed in such a manner as to permit the raising or lowering the surface of the Pond.

3rd. That a further study be made of the water growths, and other conditions in and about the Pond with a view of permanently improving and purifying the waters of the Pond.

4th. That the sum of $6000.00 be appropriated for the purposes as outlined in these recommendations.

Respectfully submitted,
ALFRED W. LOMBARD, Chairman
ROGER W. HOMER,,
J. HOWARD HAYES,
WARREN A. PEIRCE,
Committee."

The hour of 8:15 o'clock P. M. having arrived this meeting was recessed.

SPECIAL MEETING

Arlington, March 26, 1926.

At 8:15 o'clock P. M. the Special Meeting called for this date was called to order by the Moderator, John G. Brackett.

Article 2 before the meeting. (Police Station)

On substitute motion of Frederick W. Hill:

Voted: (Unanimously) That there be and hereby is appropriated the sum of one hundred fifteen thousand ($115,000) dollars for the purpose of constructing a building to be used for a police station house, lockup and police purposes connected therewith, upon the land of the Town situated on Central Street, including the cost of original equipment and furnishings; that for this purpose the sum of fifteen thousand ($15,000) dollars be transferred from available balances and receipts now in

the Treasury, the sum of thirty thousand ($30,000) dollars be raised by general tax and for the balance seventy thousand ($70,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the said sum of seventy thousand ($70,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than twenty (20) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of a committee of five to be appointed by the Moderator, said committee to have the power to fill vacancies, substantially as follows: For the construction of such building one hundred thousand ($100,000) dollars and for the original equipment and furnishing of such building fifteen thousand ($15,000) dollars.

On motion of Frederick W. Hill:

Voted: That the committee appointed at the meeting of March 26, 1925, to bring in plans and estimates for the construction for the building for police purposes be discharged.

The Moderator appointed the following committee under Article 2: Charles B. Devereaux, Alfred W. Lombard, Elliott R. Barker, Thomas J. Donnelly, Sr., and Hollis M. Gott.

Article 3 taken up. (Building on Central Street Land)

Voted: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered, in the name and on behalf of the Town, to sell at public auction or

private sale the building on the land of the Town on Central Street acquired for the purpose of constructing thereon a building for police purposes under vote passed March 26, 1925, and to execute, acknowledge and deliver any proper documents, all for the minimum amount of one ($1) dollar and upon such other terms as the Selectmen shall consider proper.

Article 4 taken up. (School House on Irving Street)

Voted: (Unanimously) That there be and hereby is appropriated the sum of one hundred twenty-two thousand ($122,000) dollars for the purpose of constructing a school building on land of the Town on Irving Street, including the cost of the original equipment and furnishing; that for this purpose twelve thousand six hundred and fifty-four and seventy-seven hundredths ($12,654.77) dollars be transferred from available balances and receipts now in the Treasury, the sum of thirty-four thousand three hundred forty-five and twenty-three hundredths ($34,345.23) dollars be raised by general tax and for the balance seventy-five thousand ($75,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of seventy-five thousand ($75,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than twenty (20) years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and that said appropriation be expended under the direction of the committee appointed under vote passed January 14, 1926, to procure plans and estimates for such building, substantially as follows: For the construction of such building one hundred thirteen thousand five hundred ($113,500) dollars and for the original

equipment and furnishing of such building the sum of eighty-five hundred ($8500) dollars.

The following motion was made by William A. Muller:

Semi-Residence, Business and Industrial Districts—In the Semi-Residence, Business and Industrial Districts no story or stories intended, arranged, or used for living purposes in any building or buildings on any one lot, shall be constructed, altered, enlarged, reconstructed or moved so that the total area of the floor or floors intended, arranged or used for living purposes on the same general level shall exceed eighty (80) per cent of the area of a corner lot as defined in the building By-Laws of the Town or sixty (60) per cent of the area of any other lot, except that on an interior lot as defined in said building By-Laws, less than eighty (80) feet deep, the total area of the floor or floors intended, arranged or used for living purposes on the same general level may exceed said sixty(60) per cent of the area of such lot by one (1) per cent of such lot area for every two (2) feet that such lot is less than eighty (80) feet deep, but shall in no case exceed seventy (70) per cent of such interior lot area. No measurement of lot area shall include any part of any street or alley.

Article 44 taken from the table. (Amendment to Building By-Laws of the Town of Arlington)

On motion of J. William Fellows:

Voted: (Unanimously) That Section 8, as amended,

relating to Tenement Houses, Building By-Laws, Town of Arlington, as presented to the meeting be adopted as follows:

AMENDMENT TO BUILDING BY-LAWS
of the
TOWN OF ARLINGTON
TENEMENT HOUSES, HOTELS AND LODGING HOUSES

Section 8

(1) Certain words in this Section are defined for the purposes thereof as follows:—Words used in the present tense include the future; words in the masculine gender include the feminine and neuter; the singular number includes the plural and the plural the singular; the word "person" includes a corporation as well as a natural person.

(a) A "tenement house" is any house or building, or part thereof, which is rented, leased, let or hired out, to be occupied, or is occupied, or is intended, arranged or designed to be occupied as the home or residence of more than two families, which family may consist of one or more persons, living independently of each other, and having a common right in the halls, stairways, yard, cellar, sinks, water closets or privies, or any of them, and includes hotels, lodging and boarding houses apartment houses, and flat houses. Dwelling houses built in continuous rows of more than two houses, occupied or intended, arranged or designed to be occupied as the home or residence of one family or more having a common right in or using in common the halls, stairways, yards, cellars, sinks, water closets or privies, or any of them, shall be deemed to be tenement houses and shall be subject to all provisions of this section.

(b) A "lodging house" or "boarding house" is any house or building, or part thereof, in which six or more

persons are harbored, received, or lodged for hire, or any building, or part thereof, which is used as a sleeping place or lodging for six or more persons not members of the family residing therein.

(c) A "yard" is an open unoccupied space on the same lot with a tenement house, between the extreme rear line of the house and the extreme rear line of the lot. An open unoccupied space between the front line of the house and the front line of the lot is a "front yard." A side yard shall be deemed an outer court on the lot line.

(d) A "half story" is any story included in the roof of which the floor area of the rooms is not more than seventy-five per cent of the ground floor. A "habitable story" includes basement if occupied by one or more families, except those in tenement houses occupied solely by the janitor and his family.

(e) A "court" is an open unoccupied space, other than a yard, on the same lot with a tenement house. A court not extending to the street or yard is an "inner court." A court extending to the street or yard is an "outer court."

(f) A "public hall" is a hall, corridor or passageway not within an apartment.

(g) A "stair hall" includes the stairs, stair landings and those parts of the public halls through which it is necessary to pass in going from the entrance floor to the roof.

(h) A "basement" is a story partly but not more than one-half below the level of the adjacent ground.

(i) A "cellar" is a story more than one-half below the level of the adjacent ground.

(j) A "fireproof tenement house" is one constructed of fireproof material throughout, with floors built of iron, steel or reinforced concrete beams, filled in

between with terra cotta or other masonry arches or with concrete or reinforced concrete slabs; wood may be used only for under and upper floors, windows and door frames, sashes, doors, interior finish, hand rails for stairs, necessary sleepers bedded in the cement, and for isolated furrings, bedded in mortar. There shall be no air space between the top of any floor arches and the floor boarding.

(k) A "wooden building" is a building of which the exterior walls or a part thereof are wood.

(l) The word "nuisance" shall be held to embrace public nuisance as known at Common Law or in Equity Jurisprudence; and, furthermore, whatever is dangerous to human life or detrimental to health, whatever building or erection, or part or cellar thereof, is overcrowded with occupants, or is not provided with adequate ingress and egress to and from the same, or the apartments thereof, or is not sufficiently supported, ventilated, sewered, drained, cleaned or lighted, in reference to their or its intended or actual use, and whatever renders the air or human food or drink unwholesome, are also severally in contemplation of this Section, nuisances; and all such nuisances are hereby declared unlawful.

(m) The word "shall" is always mandatory and not directory, and denotes that the house shall be maintained in all respects according to the mandate as long as it continues to be a tenement house.

(n) Wherever the words "by-laws," "regulations," "inspector of buildings," "building inspector," or "board of health," occur in this Section they shall be construed as if followed by the words "of the Town of Arlington;" wherever the words "is occupied" are used in this Section, applying to any building, they shall be construed as if followed by the words "or is intended, arranged or designed to be occupied." Wherever the word "street" is used in this section, it shall be construed as including

any public alley, railroad right of way, cemetery or public park, twenty feet or more in width.

(o) The "height" of a tenement house is the perpendicular distance measured in a straight line from the curb level, or from the finished grade line of the lot, where such grade is higher than the curb, to the highest point of the roof beams in the case of flat roofs, and to the average of the height of the gable in the case of pitched roofs, the measurements in all cases to be taken through the centre of the facade of the house. Where a building is on a corner lot and there is more than one grade or level, the measurements shall be taken through the centre of the facade on the street having the lowest elevation.

(p) "Occupied spaces." Outside stairways, fire escapes, porches, platforms and other projections shall be considered as part of the building and not as part of the yard or courts or unoccupied area.

(q) A "corner lot" is a lot situated at the junction of two streets, each not less than twenty feet in width. Any part of the width of such lot distant more than seventy feet from such junction shall not be regarded as part of a corner lot, but shall be subject to the provisions of this Section respecting interior lots.

(r) An "interior lot" is any other lot than a corner lot.

(s) The front of a lot is that boundary line which borders on the street. In the case of a corner lot, the owner may elect by statement on his plans either street boundary line as the front. The rear of a lot is the side opposite to the front. In the case of a triangular or gore lot the rear shall be the side not bordering on a street.

BUILDING CONVERTED OR ALTERED

(2) A building not a tenement house, if hereafter converted or altered to such use, shall thereupon become

subject to all the provisions of this Section affecting tenement houses hereafter erected.

ALTERATIONS AND CHANGE IN OCCUPANCY

(3) No tenement house hereafter erected shall at any time be altered so as to be in violation of any provisions of this By-Law. If any tenement house or any part thereof is occupied by more families than are permitted under this By-Law, or is erected or altered or occupied contrary to law, such tenement house shall be deemed an unlawful structure, and the Board of Health may cause the building to be vacated; and the building shall not again be occupied until it or its occupation, as the case may be, has been made to conform to the Law.

PERCENTAGE OF LOT OCCUPIED

(4) No tenement house hereinafter erected shall occupy, either alone or with other buildings, more than eighty per cent of a corner lot or sixty per cent of any other lot, except that on a lot less than eighty feet deep, the percentage of lot covered may be increased one per cent for every two feet the lot is less than eighty feet; but in no such case shall an interior lot be covered more than seventy per cent of its area. The measurements shall be taken at the ground level, except that where the first floor is not used as a dwelling the said area may be taken at a level not more than two feet above the second floor.

No measurement of lot area shall include any part of any street or alley.

NEW BUILDINGS

CONSTRUCTION

(5) Every tenement house hereafter erected of three or more stories in height shall be a building of the first class except as hereinafter authorized, provided, however, that in such fireproof tenement houses parti-

tions, except those enclosing stairways and vertical openings, may be of metal lath and cement plaster on wood studs.

SECOND-CLASS CONSTRUCTION

(a) (Three-story apartment houses.) An apartment house of not more than three stories in height may be a building of the second class if the following additional conditions are complied with:

(1) To have not more than 3,500 square feet in area between fire walls and exterior walls; said fire walls to be at least 12″ thick if of brick or concrete and 8″ thick if of reinforced concrete and shall extend from basement to two feet above roof unpierced for its entire height above basement. In basement small openings for pipes with metal collars on both sides of wall and one doorway not over 3 feet by 7 feet protected on both sides by automatic closing fire doors are permitted.

(2) All stairways leading to cellar and basement shall be enclosed in brick or concrete walls 12″ thick with automatic closing fire doors. All partitions enclosing stairways above first floor and all partitions between spaces occupied by different tenants shall be supported on non-combustible framing and built not less than four inches thick if of solid or hollow brick, terra cotta, gypsum block or tile laid with broken joints and plastered or with 4″ studs nogged with the above material and wire lathed and plastered; not less than three inches thick if of metal lath and cement plastered on steel studs; not less than two inches thick if of solid cement plaster; or wire glass in fixed metal frames, no lights of glass to exceed 720 square inches in area; or may be of such other incombustible material and thickness as will withstand a one-hour fire test, and is satisfactory to the Building Inspector.

All ceilings and walls of cellars and basements and ceilings of all stairways shall be plastered on approved

incombustible material in a manner satisfactory to the Building Inspector.

All doors leading from hallways and stairways to the apartments shall be self-closing fire doors with metal frames approved by the Building Inspector.

(3) The floor of the front entrance hall up to and including the stair enclosure in the first story shall be of fireproof construction.

(4) The front entrance hall up to the stair enclosure shall be at least six feet wide in the clear and each of the front stair halls, stairways, and landings and the least horizontal dimension of the space inclosed by the stairways and its landings shall be at least forty inches.

(5) Where a three-story apartment house contains not more than three apartments, the above requirements of paragraph (2) for fire resisting enclosure walls above the first floor, and the requirements of paragraph (3), shall not apply.

(b) (Four-story apartment houses.) An apartment house of four stories in height may be a building of the second-class if the following additional conditions are complied with:

(1) To have not more than 3,500 square feet in area between fire walls and exterior walls; said fire walls to be at least 12″ thick if of brick or concrete and 8″ thick if of reinforced concrete and shall extend from basement to 2 ft. above roof unpierced for its entire height above basement. In basement small openings for pipes with metal collars on both sides of wall and one doorway not over 3 feet by 7 feet protected on both sides by automatic closing fire doors are permitted.

(2) All stairways leading to cellar and basement and stairways between first and second floor shall be enclosed in brick or concrete walls 12″ thick if a bearing

wall and 8″ for a non-bearing wall with automatic closing fire doors. All partitions enclosing stairways above second floor and all partitions between spaces occupied by different tenants shall be supported on non-combustible framing and be built not less than four inches thick if of solid or hollow brick, terra cotta, gypsum block or tile laid with broken joints and plastered or with 4″ studs nogged with the above material and wire lathed and plastered; not less than three inches thick if of metal lath and cement plastered on steel studs; not less than two inches if of solid cement plaster; or may be of such other incombustible material and thickness as will withstand a one-hour fire test, and is satisfactory to the Building Inspector.

The entire building shall be plastered on approved incombustible materials from wall to wall and from floor to ceiling including all ceilings and walls of cellars and basement and ceilings of all stairways in a manner satisfactory to the Building Inspector.

All doors leading from hallways and stairways to the apartments shall be self-closing fire doors with metal frames approved by the Building Inspector.

(3) The floor of the front entrance hall up to and including the stair enclosure in the first story and all front and rear stair halls, stairways and landings, above first story, shall be constructed of approved fireproof construction. Stair treads may be of hardwood not less than 2″ thick, and wooden sleepers bedded in concrete can be used.

(4) The front entrance hall up to the stairway enclosure shall be at least eight feet wide in the clear, the stair halls, stairways, and landings and the least horizontal dimension of the space enclosed by the stairway and its landings shall be as follows: for the front stair halls, stairways, and landings, not less than four feet and for the rear stair halls, stairways, and landings, not less than forty inches.

APARTMENTS WITH FIRST FLOOR USED FOR MERCANTILE PURPOSES

(c) Where the lower stories of three or four-story apartment houses are used for mercantile purposes, the floor of first story shall be of first-class construction or the ceilings of all basements and cellars shall be plastered on approved incombustible material and equipped with automatic sprinklers and the ceiling of first floor shall be masonry or plastered on approved incombustible material from wall to wall in manner satisfactory to the Building Inspector.

YARDS

(6) Behind every tenement house except those on corner lots there shall be a yard extending across the entire width of the lot and at every point open from the ground to the sky unobstructed. Every part of the yard shall be accessible to a public way and shall be directly accessible from every other part thereof. The depth of the yard shall be measured from the extreme rear of the house to the rear line of the lot. If the tenement house is three stories or less in height, the depth of the yard, in the case of other than corner lots, shall be at least twelve feet and shall be increased in depth one foot for every additional story in height of the building above three stories, and the depth of the yard in the rear of corner lots shall be at least ten feet with an increase of one foot for each additional story.

COURTS

(7)

(a) (Outer Courts.) Where one side of an outer court is situated on the lot line, the width of the said court, measured from the lot line to the opposite wall of the building for tenement houses three stories in height shall not be less than five feet in any part and the depth of said court not more than six times its

width, and such width shall be increased six inches throughout the entire height of said building for every additional story in height. Where an outer court is situated between wings or parts of the same building or between different buildings on the same lot, the width of the court, measured from wall to wall for tenement houses, three stories in height, shall not be less than ten feet in any part, and the depth of said court not more than three times its width, and such width shall be increased one foot throughout the entire height of said building for every additional story in height. Wherever an outer court changes its initial horizontal direction or wherever any part of such extends in a direction so as not to receive direct light from the street or yard, the length of such portion of said court shall never exceed the width of said portion, and no windows except window of water-closet compartments, bathrooms, or halls shall open upon any offset or recess less than ten feet in width.

(b) (Inner Courts.) Where one side of an inner court is situated on the lot line, the width of the said court, measured from the lot line to the opposite wall of the building for tenement houses three stories in height, shall not be less than ten feet in any part, and its other horizontal dimension shall not be less than sixteen feet in any part, and for each additional story in height of the said building such width shall increase one foot throughout the entire height of said court and the other horizontal dimension shall be increased two feet throughout the entire height of said court. Where an inner court is not situated upon the lot line but is enclosed on all four sides, the least horizontal dimension of the said court for tenement houses three stories in height shall not be less than twenty feet, and for every story increase in height of said building the said court shall be increased two feet in each horizontal direction throughout the entire height of said court. Every inner court shall be provided with an intake connecting with the street or yard at least three feet wide and seven feet high with open grille

doors containing at least fifteen square feet of unobstructed openings. The intake shall have fire walls satisfactory to the Building Inspector.

(c) (Courts Open at Top.) No court of a tenement house shall be covered by a roof or skylight, but every court shall be at every point open from the ground to the sky unobstructed.

(d) (Buildings on same Lot with Tenement Houses.) If any building, except a one-story garage of first-class construction, is hereafter placed on the same lot with a tenement house, there shall always be maintained between the buildings an open unoccupied space extending upward from the ground and extending across the entire width of the lot, not less than twenty-four feet in depth. Where either building exceeds three stories in height, the depth of the open space shall be increased two feet for each story above three stories. No building of any kind, except a garage as above specified, shall hereafter be placed upon the same lot with a tenement house so as to decrease the minimum size of courts or yards as hereinbefore prescribed. If any tenement house is hereafter erected upon any lot upon which there is already another building, it shall comply with all the provisions of this by-law, and in addition the space between the building and the tenement house shall be of the size and arranged in the manner prescribed in this section, the height of the highest building on the lot to regulate the dimensions.

(e) (Yards not Fronting on Street, etc.) When a tenement house does not front upon a street, a public alley, or a passageway, not less than fifteen feet wide, the requirements of this section as to yards shall apply to the front as well as to the rear of such tenement house. The yard behind one tenement house shall not be deemed to satisfy in whole or in part the requirements of a yard in front of another tenement house.

(f) (Angles in Courts.) Nothing contained in the foregoing sections concerning courts shall be construed as preventing windows at the angles of said courts, provided that the running length of the wall containing such windows does not exceed six feet.

(g) (Permanency of Yards and Courts.) No tenement house shall be hereafter enlarged or its lot so diminished, and no building of any kind shall be hereafter so placed upon the same lot with a tenement house, as to decrease the minimum depth of yards or the minimum size of courts or yards required by this By-law for tenement houses hereafter erected.

(h) (Rear Tenements.) No building hereafter erected, converted, or placed shall be used as a tenement house unless it faces on a public street or has the use of a way or place not less than forty feet wide leading to a public street.

(i) (Frontage on Street.) Every tenement house shall have an unobstructed frontage upon a street, not less than twenty feet wide. No tenement house and no other building shall hereafter be erected, enlarged, or placed on the same lot with a tenement house in such manner that any tenement house shall be left without an unobstructed frontage upon a street, less than twenty feet wide.

ROOMS, LIGHTING AND VENTILATION OF

(8) In every tenement house hereafter erected every room, including water closet compartments and bathrooms, shall have at least one window opening directly upon the street or upon a yard or court of the dimensions specified in paragraph (7) of this By-law and the window shall be so located as properly to light all parts of the room.

WINDOWS IN ROOMS

(9) In every tenement house hereafter erected the total window area in each room, including water

closet compartments and bathrooms, shall be at least one-tenth of the superficial area of the room, and the top of at least one window shall be not more than eight inches below the ceiling, and the upper half of it shall be made so as to open the full width. At least one such window in rooms other than bathrooms and water closets shall be not less than twelve square feet in area between the stop beads; and in water closet compartments and bathrooms at least one such window shall be not less than six square feet in area between the stop beads.

ROOMS, SIZE OF

(10) In every tenement house hereafter erected there shall be in each apartment at least one room containing not less than one hundred and twenty square feet of floor area. All rooms shall be in every part not less than eight feet six inches from the finished floor to the finished ceiling, except that an attic room need be eight feet six inches high in but one-half of its area.

Alcove rooms shall be considered a portion of the room from which they open.

CHIMNEYS AND VENTS

(11) In every tenement house hereafter erected there shall be adequate chimneys running through every floor for properly venting all gas appliances.

PRIVACY

(12) In every tenement house hereafter erected, in each apartment access to every living room and bedroom, and to at least one water closet compartment, shall be had without passing through a bedroom or bathroom.

PUBLIC HALLS

(13) In every tenement house hereafter erected every public hall extending more than 20 feet from a

stair hall shall have at each story at least one window opening directly upon the street or upon a yard or court of the dimensions specified in paragraph (7) of this By-Law. Such windows shall be at the end of said hall with the plane of the window at right angles to the hall's axis. Any part of a public hall which is in any way shut off from any other part of the hall shall be deemed a separate hall within the meaning of this Section.

WINDOWS FOR PUBLIC HALL, SIZE OF

(14) One at least of the windows provided to light each public hall or part thereof shall be at least two feet six inches wide and five feet high, measured between stop beads, and the top of the window shall be not more than eight inches below the ceiling. In every such tenement house there shall be in the roof, directly over each stair well, a ridge ventilator having a minimum opening of forty square inches and with movable louvres.

WINDOWS FOR STAIR HALLS, SIZE OF

(15) In every tenement house hereafter erected there shall be provided for each story at least one window to light and ventilate each stair hall which shall be at least two feet six inches wide and five feet high measured between the stop beads, provided, however, that no windows shall be required when there shall be, within the space enclosed by the stairways and its landings from the second floor upward, an open well for light and ventilation whose least dimension shall be 3 feet for a three-story building, and one foot additional for each additional story, and with a skylight directly over the well with an area equal to the area of well, but not less than 20 square feet in any case. Such skylights shall have ridge ventilators of not less than 40 square inches, or shall have louvres giving a clear area of 40 square inches. Glazing at the entrance of at least 5 square feet shall be considered adequate for the lighting

of the entrance hall between the entrance and stairs. A sash door shall be deemed the equivalent of the window specified in this paragraph and the two foregoing paragraphs, provided that each door contains the amount of glazed surface prescribed for such windows.

SANITATION

(16) Basement and cellar rooms. a. In new tenement houses. In tenement houses hereafter erected or converted or altered for such use, no room in the cellar or in the basement with floors below the level of the ground shall be constructed, altered, converted, or occupied for living purposes without a written permit from the Board of Health. Such room shall be at least eight feet six inches high in every part from the floor to the ceiling, and shall have a window or windows opening upon the street or upon a yard, court, or area at least five feet wide. The total area of windows in such rooms shall be at least one-eighth of the superficial area of the room, and each window shall be made to open at least one-half its full area, and the top of each window shall be within six inches of the ceiling. The ceiling of such room shall be at least four feet six inches above the surface of the street or ground outside or adjoining the same. In such basement or cellar there shall be provided a water supply and water-closet accommodations. All walls and floors of such rooms shall be thoroughly drained on the outside and provided with dead-air space.

CELLARS, DAMP PROOFING AND LIGHTING OF

(17) Every tenement house hereafter erected shall have the walls below the ground level, and the cellar floor damp-proof. All cellars and basements in such tenement houses shall be properly lighted and ventilated in all their parts to the satisfaction of the Board of Health.

SPACES UNDER FLOORS

(18) In any tenement hereafter erected, under any part of which there is no cellar, the first or ground floor shall be at least two feet above the ground beneath and that adjacent thereto, and the space beneath such floor shall be kept free and clear, and shall be enclosed to prevent the accumulation of rubbish, but provided with ample ventilation and adequate drainage.

COURTS, AREAS AND YARDS

(19) In every tenement house hereafter erected all courts, areas and yards shall be properly graded and drained; and when necessary in order to keep such premises in a sanitary condition such courts, areas or yards, or such part thereof as the Board of Health shall order, shall be properly concreted.

SINKS

(20) In every tenement house hereafter erected there shall be provided in each apartment a proper sink with running water.

WATER CLOSETS

(21) In every tenement house hereafter erected there shall be within each apartment a separate water closet, located in a bathroom or in a separate compartment. Each such water closet shall be completely separated from every other water closet. Said compartment shall be not less than three feet wide, and shall be enclosed with plastered partitions which shall extend to the ceiling. Every such compartment shall have a window opening directly upon the street or upon a yard or court of the minimum size prescribed by this By-Law. Every water closet compartment hereafter placed in any tenement house shall be provided with proper means of lighting the same at night. The floor of every such water closet compartment shall be made waterproof with asphalt, tile, stone, or some other non-

absorbing waterproof material; and such waterproofing shall extend at least six inches above the floor so that the floor can be washed or flushed out without leaking. If the water closet is in a bathroom, it shall be sufficient to waterproof the floor directly beneath the fixture and extending one foot beyond it in each direction. No drip trays shall be permitted. No water closet fixtures shall be enclosed with any woodwork. No water closet shall be placed in the cellar.

PLUMBING

(22) In every tenement house hereafter erected no plumbing fixtures shall be enclosed with wood work. All plumbing pipes shall be exposed except as otherwise permitted by the Board of Health. Wherever plumbing or other pipes pass through floors or partitions the openings around such pipes shall be sealed or made airtight with plaster or other incombustible materials, so as to prevent the passage of air or the spread of fire from one floor to another or from room to room. All plumbing work shall be sanitary in every particular and, except as otherwise specified in this By-Law, shall be in accordance with all plumbing regulations. Pan and long hopper closets shall not be used.

WATER CONNECTION

(23) In every tenement house hereafter erected all sinks and water closets shall be provided with an adequate supply of running water at all times as approved by the Board of Health.

PRIVIES, PRIVY VAULTS AND CESSPOOLS

(24) No privy or privy vault shall be permitted on the same lot with any tenement house hereafter erected. No cesspool shall be permitted in the cellar or court of any tenement house nor within 15 feet of any wall of said tenement house.

SEWER CONNECTION

(25) Every tenement house hereafter erected on a street in which there is a public sewer, or in which a public sewer shall hereafter be placed shall be connected therewith.

FIRE PROTECTION

FIREPROOF TENEMENT, WHEN REQUIRED

(26) No tenement house shall hereafter be erected exceeding two and one-half stores in height, nor shall it be occupied, nor intended, arranged or designed to be occupied, by more than two families, unless it be of first or second class construction.

STAIRS

(27) Every tenement house hereafter erected shall have at least two independent flights of stairs with separate entrances leading from the entrance floor to the top story, said flights of stairs being at two points as far apart as is possible in the opinion of the Building Inspector and one of said flights shall connect with roof. Said stairs shall be directly accessible from each apartment, without passing through any other apartment. One of said flights of stairs may consist of outside, open stairs and balconies. All stairs and balconies and all public halls shall be at least three feet wide in the clear. Winders shall not be permitted in any staircase. All stairways shall be left entirely open beneath same without closets or similar enclosed spaces.

Cellar Entrance. In every tenement house hereafter erected there shall be an entrance to the cellar or other lowest story from the outside of the building.

ROOFING MATERIALS

(28) Every tenement house hereafter erected shall have the roof in all parts and the sides of all dormer windows covered with incombustible material satisfactory to the Building Inspector.

WOODEN TENEMENT HOUSES

(29) In no wooden tenement houses hereafter erected shall any story or part thereof above the second story be rented, leased, let or hired out to be occupied for housekeeping, nor shall it be intended, arranged or designed to be occupied for housekeeping, nor shall any provision be made for cooking nor shall any cooking be done above the second story.

REQUIREMENTS FOR EXISTING TENEMENT HOUSES

ROOMS, LIGHTING AND VENTILATING OF

(30) No room in a tenement house erected prior to this By-Law taking effect shall hereafter be occupied for living purposes unless it shall have a window opening directly upon the street, or upon a yard not less than ten feet deep, or above the roof of an adjoining building, or upon a court of not less than thirty square feet in area, open to the sky without roof or skylight.

PUBLIC HALL, LIGHTING AND VENTILATING OF

(31) In every tenement house erected prior to this By-Law taking effect, the public halls and stairs shall be provided with sufficient light to permit the reading of twelve point type in the day time in any part thereof. Light and ventilation in such halls shall be to the outer air except when in the opinion of the Building Inspector it is impracticable, in which case the lighting and ventilation shall be such as to meet the approval of the Board of Health. All new skylights hereafter placed in such houses shall be provided with ridge ventilators having a minimum opening of forty square inches, and also with either fixed or movable louvres or with movable sashes and shall be of such size as may be determined to be practicable by the Building Inspector.

SINKS

(32) In every tenement house erected prior to this

By-Law taking effect, the woodwork enclosing sinks located in the public halls or stairs, shall be removed and the spaces underneath shall be left open. The floors and wall surfaces beneath and around the sink shall be put in good order and repair, and if of wood shall be well painted with light-colored paint.

WATER CLOSETS

(33) In every tenement house erected prior to this By-Law taking effect, the woodwork enclosing every water closet fixture shall be removed, and the space underneath the seat shall be left open. The floor or other surfaces beneath and around the closet shall be put in good order and repair, and if of wood shall be well painted with light-colored paint.

BASEMENTS AND CELLARS

(34) The floor of the cellar or lowest floor of every tenement house shall be free from dampness, and, when necessary, shall be concreted with four inches of concrete of good quality and with a finished surface. The cellar ceiling of every tenement house shall be plastered, when so required by the Building Inspector, except where the ceiling is aleady well sheathed with matched boards or well covered with a metal ceiling, or where the first floor above the cellar is constructed of iron beams and fireproof filling.

SHAFTS AND COURTS

(35) In every tenement house there shall be, at the bottom of every shaft and court, a door giving sufficient access to such shaft or court, to enable it to be properly cleaned; provided, that where there is already a window giving proper access to such shaft or court, such window shall be deemed sufficient.

FIRE ESCAPES

(36) All non-fireproof tenement houses erected prior to this By-Law taking effect, which are three or

more stories in height, which do not have fireproof stairs and stair halls or adequate fire escapes, as hereinafter required, shall be provided either with fireproof outside stairways or with fireproof fire escapes directly accessible from each apartment without passing through a public hall.

No existing fire escape shall be deemed adequate unless the following conditions are complied with:

(a) In every tenement house each apartment above the ground floor shall have a fire escape balcony directly accessible from it.

(b) All balconies shall be properly connected with each other by adequate stairs or stationary ladders with openings not less than twenty-four by thirty-six inches.

(c) All fire escapes shall have proper ladders from the lowest balcony of sufficient length to reach a safe landing place beneath.

(d) All fire escapes not on the street shall have a safe and adequate means of egress from the yard or court to the street or to adjoining premises.

(e) Prompt and ready access shall be had to all fire escapes, which shall not be obstructed in any way.

No existing fire escape shall be extended or have its location changed except with the written approval of the Inspector of Buildings.

All fire escapes hereafter placed on tenement houses erected prior to this By-Law taking effect shall be located and constructed as follows: All such fire escapes shall open directly from at least one room or private hall in each apartment at each story above the ground floor, other than a bathroom or water closet compartment, and

such room or private hall shall be accessible to every room thereof without passing through a public hall. Access to fire escapes shall not be obstructed in any way. Fire escapes shall not be placed in any court. Fire escapes may project into a public street, but not more than four feet beyond the building line. All fire escapes shall consist of outside fireproof balconies and stairways. All balconies shall be not less than three feet in width, and shall include at least one window or outside door of each apartment at each story above the ground floor.

All fire escape stairways shall be placed at an angle of not more than forty-five degrees, with flat open steps, not less than nine inches in width and twenty-four inches in length, and with a rise of not more than nine inches. The openings for stairways in all balconies shall be not less than twenty-four by thirty-six inches, and shall have no covers of any kind. When tenement houses upon which fire escapes are placed have flat roofs the balcony on the top floor, except in the case of a balcony on the street, shall be provided with stairs or with a goose-neck ladder leading from the balcony to and above the roof and properly fastened thereto. A drop ladder or stairs shall be provided from the lowest balcony of sufficient length to reach to a safe landing place beneath. All fire escapes shall be constructed and erected to sustain safely in all their parts any reasonable load. In addition to the foregoing requirements, all fire escapes hereafter erected upon tenement houses shall be constructed in accordance with such supplementary regulations as may be adopted by the Building Department.

MEANS OF EGRESS

(37) Whenever a tenement house is not provided with sufficient fire escapes or with sufficient means of egress in case of fire, the Building Inspector shall order such additional fire escapes and other means of egress as may be necessary.

ALTERATIONS

GENERAL PROVISIONS

(38) No tenement house erected prior to this By-Law taking effect shall at any time be altered so as to be in violation of the requirements of this By-Law, except as hereinafter provided.

(a) Any additional room or hall that is hereafter constructed or created in a tenement house shall comply in all respects with the provisions of this By-Law, except that such rooms may be of the same height as the other rooms in the same story of the house.

(b) All shafts shall be fireproof throughout; with fireproof self-closing doors at all openings, at each story; and, if they extend to the cellar, shall also be enclosed in the cellar with fireproof walls and fireproof self-closing doors at all openings. In no case shall any shaft be constructed of materials in which any inflammable material or substance enters into any of the component parts. But nothing in this paragraph shall be so construed as to require such enclosures about elevators or dumb-waiters in the wellhole of stairs where the stairs themselves are enclosed in brick or stone walls, and are entirely constructed of fireproof materials as provided in this Section.

(c) No wooden tenement house containing more than two apartments shall hereafter be enlarged or extended; except that a wooden extension not exceeding in total area seventy square feet may be added to an existing wooden tenement house, provided that such extension is used solely for bathrooms or water closets.

MAINTENANCE

PUBLIC HALLS, LIGHTING OF, IN THE DAYTIME

(39) In every tenement house where the public halls and stairs are not in the opinion of the Board of Health sufficiently lighted, the owner of such house shall

keep a proper light burning in the hallway, near the stairs, upon each floor, as may be necessary, from sunrise to sunset.

PUBLIC HALLS, LIGHTING AT NIGHT

(40) In every tenement house occupied by more than two families a proper light shall be kept burning by the owner in the public hallways, near the stairs, upon the entrance floor and upon the second floor above the entrance floor of said house, every night from sunset to sunrise throughout the year, and upon all other floors of the said house from sunset until ten o'clock in the evening.

WATER CLOSETS IN CELLARS

(41) No water closet shall be permitted in the cellar of any tenement house, except as hereinafter provided.

WATER CLOSET ACCOMMODATIONS

(42) In every tenement house existing prior to this By-Law taking effect there shall be provided at least one water closet for every two families.

BASEMENT AND CELLAR ROOMS

(43) In existing tenement houses. Hereafter, in any tenement houses existing at the date this By-Law takes effect, no room in the basement or cellar shall be occupied for living purposes without a written permit from the Board of Health, such permit to be conspicuously placed and permanently kept in said room. No such room shall hereafter be occupied for living purposes nor shall the written permit be issued unless all the following additional conditions are complied with. Such room shall be at least seven feet six inches high in every part from the top of the floor to the ceiling, shall have sufficient light, shall be well drained and dry, and shall be fit for human habitation. The ceiling of such room

shall be in every part at least two feet above the surface of the street or ground outside of or adjoining the same and, with the floor and walls, shall be made and kept damp-proof and waterproof. In such basement or cellar there shall be provided a water supply and water-closet accommodations. There shall be outside of and adjoining such room, and extending along the entire frontage thereof, an open space of at least two feet six inches wide in every part, unless such room extends for more than one-half of its height above the curb level.

CELLAR WALLS AND CEILINGS

(44) The cellar walls and ceilings of every tenement house shall be thoroughly whitened or painted a light color by the owner, and shall be so maintained. The whitening or paint shall be renewed whenever necessary, as may be required by the Board of Health.

WATER CLOSETS AND SINKS

(45) In all tenement houses the floor or other surface beneath and around water closets and sinks shall be maintained in good order and repair, and if of wood shall be kept well painted with light-colored paint.

REPAIRS

(46) Every tenement house and all the parts thereof shall be kept in good repair, and the roof shall be kept so as not to leak, and all rain water shall be so drained, and conveyed therefrom, as to prevent dampness in the walls, ceilings, yards or areas.

WATER SUPPLY

(47) Every tenement house shall have water furnished in sufficient quantity at one or more places in each apartment.

The owner shall provide proper and suitable tanks, pumps, or other appliances to receive and distribute an

adequate and sufficient supply of water at each apartment in the said house, at all times of the year, during all hours of the day and night. But a failure in the general supply of water by the town authorities shall not be construed to be a failure on the part of the owner, provided that proper and suitable appliances to receive and distribute the water have been provided in the house.

CLEANLINESS OF BUILDINGS

(48) The owner of every tenement house shall cause every part thereof to be kept clean and free from any accumulation of dirt, filth and garbage or other refuse matter in or on the same, or in the cellars, halls, passages, rooms, areas, yards, courts, and spaces appurtenant thereto. The owner shall thoroughly cleanse every part of the tenement house, whenever ordered so to do by the Board of Health.

WALLS OF COURTS

(49) The walls of all courts, unless built of a light-colored brick or stone, shall be thoroughly whitened by the owner, or shall be painted a light color by him, and shall be so maintained. The whitening or paint shall be renewed whenever necessary, as may be required by the Board of Health.

WALLS AND CEILINGS OF ROOMS

(50) In all tenement houses, the Board of Health may require the walls and ceilings of every room that does not open directly on the street to be whitened or painted with white paint when necessary to improve the lighting of such room, and may require this to be renewed as may be necessary.

WALL PAPER

(51) No wall paper shall be placed upon a wall or ceiling of any tenement house unless all wall paper shall be first removed therefrom and the wall and ceiling thoroughly cleaned.

RECEPTACLES FOR ASHES, GARBAGE AND RUBBISH

(52) The owner of every tenement house shall provide and maintain therefor suitable covered water-tight receptacles for ashes, rubbish, garbage, refuse and other matter.

PROHIBITED USES

(53) No swine shall be kept in a tenement house, or on the same lot therewith. No horse, cow, calf, sheep, goat or fowl shall be kept in a tenement house, or on the same lot therewith within twenty-five feet of the tenement house. No tenement house, and no lot upon which it is located, shall be used for the storage or handling of rags, or as a place of public assemblage.

COMBUSTIBLE MATERIALS

(54) No tenement house, and no part thereof, nor of the lot upon which it is situated, shall be used as a place of storage, keeping or handling of any article dangerous or detrimental to life or health, nor for the storage, keeping or handling of feed, hay, straw, excelsior, cotton, paper stock, feathers, rags or other easily combustible articles.

BAKERIES AND FAT BOILING

(55) No bakery and no place of business in which fat is boiled shall be maintained in any tenement house.

OTHER DANGEROUS BUSINESSES

(56) There shall be no transom, window or door opening into a hall from any part of a tenement house where paint, oil, spirituous liquors or drugs are stored for the purpose of sale or otherwise.

JANITOR OR HOUSEKEEPER

(57) In any tenement house in which the owner thereof does not reside, there shall be a janitor, house-

keeper or other responsible person who shall reside in said house and have charge of the same, if the Board of Health shall so require.

OVERCROWDING

(58) If a room in a tenement house is overcrowded, the Board of Health may order the number of persons sleeping or living in that room to be so reduced that there shall be not less than four hundred cubic feet of air to each adult, and three hundred cubic feet of air to each child under twelve years of age occupying the room.

FIRE ESCAPES

(59) The owner of every tenement house shall keep all the fire escapes thereon in good order and repair, and whenever they become rusty shall have them properly painted with two coats of paint. No person shall at any time place any incumbrance of any kind before or upon any such fire escape.

SCUTTLES, BULKHEADS, LADDERS AND STAIRS

(60) All scuttles and bulkheads, and all stairs or ladders leading thereto, shall be easily accessible to all tenants of the building, and kept free from incumbrance and ready for use at all times. No scuttle and no bulkhead door shall at any time be locked with a key, but either may be fastened on the inside by movable bolts or hooks.

REQUIREMENTS AND REMEDIES

PERMIT TO COMMENCE BUILDING

(61) Before the construction or alteration of a tenement house, or the alteration or conversion of a building for use as a tenement house, is begun, and before the construction or alteration of any building or structure on the same lot with a tenement house, the owner shall submit to the Board of Health and to the Building Inspector, a detailed statement in writing, verified by the

affidavit of the person making the same, of the specifications for such tenement house or building, upon blanks or forms to be furnished by such departments, and also full and complete copies of the plans of the work together with plan of the lot. The said statement shall give in full the name and residence, by street and number, of the owner or owners of the tenement house or building. If such construction, alteration, or conversion is proposed to be made by any other person than the owner of the land in fee, the statement shall contain the full name and residence, by street and number, not only of the owner of the land, but of every person interested in the tenement house, either as owner, lessee or in any representative capacity. The affidavit shall allege that said specifications and plans are true and contain a correct description of such tenement house, building, structure, lot and proposed work. The statements and affidavit herein provided for may be made by the owner, or by the person who proposes to make the construction, alteration or conversion, or by his agent. The said specifications, plans and statements shall be filed in the Building Inspector's office and shall be public records, and no such specifications, plans or statements shall be removed from the said office. The Board of Health and the Building Inspector shall cause all such plans and specifications to be examined.

(62) Certificate of compliance. a. Issue. No building hereafter constructed as or altered into a tenement house shall be occupied in whole or in part for human habitation until the issuance of a certificate by the Inspector of Buildings that the building conforms in all respects to the requirements of this By-Law. Upon notice of the completion of the construction, alteration, or conversion of a tenement house, it shall be the duty of the Building Inspector and of the Board of Health to inspect the building forthwith, and the Building Inspector shall issue a certificate of compliance within five days

after written application therefor, if the building at the date of such application is found to conform to the requirements of this By-Law. Such certificate shall be issued within ten days after written application therefor, if such building at the date of such application shall be entitled thereto, and it shall be permanently posted in said building. Such certificate shall be and remain the property of the Town, and the authority granted by same may, for cause and after hearing, be revoked and the certificate removed from the building by the Building Inspector or the Board of Health.

b. Rescission. When defects are reported, and the owner or tenant of the estate refuses or neglects to correct the same, the Board of Health may rescind the certificate for the use of a building in which such uncorrected defect exists, and it shall then, and while such defect remains uncorrected, be unlawful for such building to be used as a tenement house.

JURISDICTION OF BOARD OF HEALTH

(63) a. Whenever any tenement house or building, structure, excavation, business pursuit, matter or thing, in or about a tenement house or the lot in which it is situated, or the plumbing, sewerage, drainage, light or ventilation thereof, is in the opinion of the Board of Health in a condition, or in effect, dangerous or detrimental to life or health, the Board may declare that the same to the extent which it may specify is a public nuisance, and may order the same to be removed, abated, suspended, altered or otherwise improved or purified, as the order shall specify. The Board shall also order or cause any tenement house or part thereof, or any excavation, building, structure, sewer, plumbing, pipe, passage, premises, ground, matter or thing, in or about a tenement house, or the lot in which it is situated, to be purified, cleansed, disinfected, removed, altered, repaired, or improved. If any order of the Board is not complied with,

within ten days after the service thereof, or within such shorter time as the Board may designate, then such order may be executed by said Board through its officers, agents, employees or contractors.

INFECTED AND UNHABITABLE HOUSES TO BE VACATED

b. Whenever it shall be certified by an Inspector or Officer of the Board of Health that a tenement house, or any part thereof, is infected with contagious disease, or that it is unfit for human habitation, or dangerous to life or health by reason of want of repair, or of defects in the drainage, plumbing, ventilation, or the construction of the same, or by reason of the existence on the premises of a nuisance likely to cause sickness among the occupants of the house, the Board may issue an order requiring all persons therein to vacate such house, or part thereof, within not less than twenty-four hours nor more than ten days, for reasons to be mentioned in said order. In case such order is not complied with within the time specified, the Board may cause the tenement house, or part thereof, to be vacated. The Board, whenever it is satisfied that the danger from said house or part thereof has ceased to exist, or that it is fit for human habitation, may revoke said order, or may extend the time for complying with the same.

On motion of J. William Fellows:

Voted: (Unanimously) That Section 13, as amended, relating to masonry and wall construction, Building By-Laws, Town of Arlington as presented to the meeting be adopted as follows:

MASONRY AND WALL CONSTRUCTION SECTION 13

(1) Construction. a. Protection against freezing. No masonry shall be built when the temperature

is below 28° F. on a rising temperature, or 32° F. on a falling temperature, at the point where the work is in progress. No frozen materials shall be built upon. Lime shall not be used in any mortar in freezing weather in excess of ten percent of the cement content.

b. Wetting brick. Bricks shall be thoroughly wet just previous to being laid, except in freezing weather, when they shall be thoroughly dry.

c. Erection of walls and piers. Masonry building walls and piers shall be built to a line and carried up plumb. In each story, the walls shall be carried up full thickness to the top of the beams above. No wall of any building shall be built up more than two stories in advance of any other portion of the walls of the building, provided that where walls are carried independently by beams or girders at each floor, this provision shall not apply. All walls meeting at an angle shall be securely toothed and bonded together, or shall be thoroughly tied together at vertical intervals of five feet by two by one-half inch or larger painted steel or iron ties at least three feet long.

d. Piers. All piers shall be built of stone, concrete, or good hard brick laid in cement mortar. Every pier supporting any beam, girder, arch, lintel, or column shall have a cap or a cast iron plate when necessary to properly distribute the load. Isolated piers, when unsupported laterally by earth, shall not exceed in height twelve times their least dimensions. The use of monolithic stone posts for the support of columns, girders, or walls, is prohibited unless their lengths are less than twice their minimum thickness.

e. Timber in walls. No timber except lintels provided for elsewhere in this Section and nailing blocks not over eight inches long or nearer together than two feet shall be placed in any masonry wall.

(2) Brick masonry. All brick work shall be laid with full mortar joints in—

a. English or modified English bond, having at least every eighth course a full bearing course of whole brick.

b. Flemish bond, having at least every fourth course of whole brick headers alternating with stretchers throughout the course.

c. Running bond of face brick, having at least every eighth course of alternate full headers and stretchers.

(3) Substitute wall. All walls called for in this By-Law to be of brick may be of Portland cement, concrete, or other equally substantial approved fireproof material, and, on approval of the Building Inspector, such substitute walls, when called for to be twelve inches thick, may for the upper story be eight inches thick.

(4) Stone masonry. a. Workmanship. No stone shall be laid in a wall in any other position than on its natural bed. Stones shall be firmly bedded in mortar with all spaces and joints thoroughly filled. No stone shall be used that does not bond or extend into the wall at least six (6) inches.

b. Bond. All stone walls twenty-four inches or less in thickness shall have at least one header extending through the wall in every three feet in height from the bottom of the wall and in every three feet in length and, if over twenty-four inches thick, shall have one header for every six superficial feet on both sides of the wall, laid on top of each other to bond together and running into the wall at least two feet. All headers shall be at least twelve inches in width and eight inches thick and consist of sound flat stones.

c. Limitations. Walls built of squared stones with dressed level beds shall have a thickness not less

than that required for brick walls under similar conditions. Walls built of rubble stone shall have a thickness at least four inches more than required by paragraphs b and c, but no such wall shall be less than eighteen inches thick, and except for foundations, shall not be used in buildings over forty feet high, or in foundations of buildings over sixty feet high.

(5) Hollow block masonry. a. When permitted. Hollow building blocks either of well-burned terra cotta with at least one-half inch shells and webs or of Portland cement concrete may be used for walls except party and fire walls exceeding three stories or forty feet in height, provided that such blocks have met the test requirements of this By-Law and are not stressed beyond the safe limits prescribed herein. The minimum thickness for such walls shall be as required for brick walls. All building blocks shall be laid in Portland cement mortar.

b. Furring. Where hollow blocks of any kind are used as furring for walls, they shall not be included in the measurement of the thickness of such walls.

c. Hollow brick. The inside four inches of walls may be built of hard-burned hollow brick of the dimensions of ordinary bricks properly tied and bonded into the walls.

d. Concrete blocks. Concrete blocks shall not be used in construction until they have obtained an age of twenty-eight days, and shall have developed an average of 1000 lbs. ultimate compressive strength per square inch of gross cross sectional area of block as used in wall, and shall not fall below 700 lbs. per square inch in any test, when testing at least six ordinary samples. For the purpose of such test the gross cross sectional area shall be considered as the product of the length times the width of the block. No allowance shall be made for air spaces of block. The allowed working strength for such blocks shall not exceed 100 lbs. per gross square inch.

e. Horizontal cell blocks. The use of horizontal cell blocks shall require the entire height of the section of wall affected to be designed for a capacity not exceeding fifty pounds working strength per gross square inch.

f. Hollow terra cotta blocks. Hollow terra cotta blocks used in exterior walls shall be extra hard-burned and glazed or veneered with brick, architectural terra cotta, or stone, or covered on the exposed surface with at least three-quarters of an inch of Portland cement stucco; and shall be well scored, grooved, or roughened to retain the coating. The stucco shall not be considered as a part of the required thickness of the wall. When walls of hollow building blocks are veneered with brick, the facing shall be bonded to the backing with headers every eighth course of the brickwork, or with approved metal ties at the rate of one tie for each two square feet of veneered surface. Blocks shall be so laid that the shells and webs shall be superposed upon those of the adjacent blocks below.

g. Top courses of walls. Where walls of hollow building blocks laid with cells vertical are decreased in thickness, the blocks in the top course of the thicker wall shall be filled solidly with concrete, or covered with slabs of hard-burned terra-cotta or concrete at least one inch in thickness. Terra cotta, concrete, or metal slabs, or templates of approved size and thickness shall be placed under all floor beams and girders to properly distribute the loads.

(6) Ashlar. Stone, architectural terra cotta, or other approved material used for the facing of any building and known as ashlar shall be not less than four inches thick and be thoroughly anchored to the backing. Ashlar shall not be considered in determining the minimum thickness of wall as required in this By-Law unless it is at least four inches in thickness and well bonded to backing with alternate stones of eight inches thickness.

Within the fire limits ashlar shall not be used in walls of a total thickness of less than twelve inches.

(7) Mortar. a. Cement mortar. In the following masonry construction cement mortar shall be used:

1. Foundation walls and footings of first and second-class buildings.

2. Bearing walls of first-class buildings.

3. Rubble stone walls.

4. Hollow building block walls.

5. Walls faced with ashlar, but back of ashlar may be parged with lime mortar to prevent discoloration.

6. Isolated piers.

7. Panel or enclosure walls.

8. Parapet walls.

9. Chimneys.

10. Linings of existing walls.

11. Fire walls.

b. Cement and lime mortars. In the following masonry construction, cement or cement and lime mortar shall be used:

1. Bearing walls of second-class buildings.

2. Foundation and basement walls and footings of third-class buildings.

c. Lime mortar. In other masonry construction lime mortar may be used unless otherwise ordered by the Building Inspector.

(8) Wall thickness above foundation. a. General requirements. The thickness of masonry walls in buildings hereafter erected or altered shall in all cases, irrespective of any other requirements of this By-Law, be sufficient to keep the stresses in the masonry within the working stresses prescribed by this By-Law. In all cases, the wall thicknesses herein specified shall be applied to the nearest tier of beams to the height specified. In determining thickness of walls, story heights shall be computed at not exceeding twelve feet. The unsupported height of any wall or part thereof shall not exceed twenty times the thickness of such unsupported part, unless reinforced by adequate cross-walls, buttresses, or columns.

b. Residence building requirements. For the purpose of this Section the term residence buildings shall include the following type of structures: apartments, asylums, clubhouses, convents, dormitories, dwellings, hospitals, hotels, laboratories, lodging houses, parish buildings, studios, tenements and accessory buildings, and garages of not over four cars capacity. Thickness of walls shall not be less than that called for in the following tables:

FOR DWELLINGS ONLY, WITH WOODEN BEAMS SPANNING NOT OVER TWENTY FEET

3-story building	12	12	12	12	..	..	..	..	..
4-story building	16	12	12	12	12	..	..	..	..

c. Public and business building requirements. The term public and business buildings shall include all other buildings not used solely for residential purposes, among which are armories, churches, factories, garages for more than four cars, libraries, light and power houses, markets, municipal buildings, museums, railroad buildings, schools, stables, stores, and warehouses. Thickness of walls shall not be less than that called for in the following table:

Stories	Basement	1	2	3	4	5	6	7	8
1-story building	12	12	..	..	..	..	..	..	..
2-story building	12	12	12	..	..	..	..	..	..
3-story building	16	12	12	12	..	..	..	..	..
4-story building	16	16	12	12	12	..	..	..	..

(9) Special thickness of walls, required or allowed. a. When span is over twenty-five feet. When the clear span between bearing walls is over twenty-five feet, such walls shall be increased four inches in thickness for every twelve and one-half feet or part thereof that said span is over twenty-five feet, or shall have in lieu thereof such piers or buttresses and curtain walls as in the judgment of the Building Inspector may be necessary.

b. When over one hundred feet long between cross-walls. Walls over one hundred feet long between cross-walls or proper piers or buttresses shall be in-

creased in thickness over the minimum requirements at least four inches for every one hundred feet or part thereof over one hundred feet in length.

c. When over thirty per cent of area for openings. If the horizontal section through a bearing wall shows more than thirty per cent area of flues and openings, such part of the wall where the excessive openings exist shall be increased four inches in thickness over minimum requirements for every fifteen per cent, or fraction thereof, or flue or opening area in excess of thirty per cent, or adequate piers or buttresses shall be provided.

d. When more than one requirement. In case the thickness of any wall must be increased by reason of some specific requirement of this By-Law, it shall not be necessary to further increase such thickness by reason of any other specific requirement, unless in the judgment of the Building Inspector it is deemed necessary for reasons of safety.

e. Non-bearing walls—stair walls. Non-bearing walls and walls supporting stairs and stair landings only may be four inches less in thickness than required in clauses b. and c. of paragraph (8), provided that no such wall shall be less than eight inches thick. Non-bearing walls shall not have a greater height unsupported laterally than thirty times their thickness.

f. Panel or enclosure walls. Panel or enclosure walls entirely supported at each story by girders shall be not less than eight inches thick.

g. Existing walls. Existing walls which are not in accordance with the requirements of this By-Law, if in good condition, and if of sufficient strength, may be used without change in building hereafter erected or altered.

h. Lining walls. In case it is desired to use and increase the height of any existing wall which is less in thickness than required by this Section, such wall shall be reinforced by a lining of brickwork, so that the combined thickness with the old wall shall be not less than four inches more than the requirements for a new wall corresponding with the total height of the wall as altered, provided that such lining shall not be used to a greater height than forty feet and that such wall shall not be increased to exceed sixty feet. Such lining shall be supported on proper foundations and shall be not less than eight inches in thickness, and thoroughly anchored to the old wall with suitable anchors, placed two feet apart and properly fastened or driven into the old wall in rows, alternating vertically and horizontally with each other. The old wall shall be first cleaned of plaster, paint, or other coatings, where any lining is to be built against the same. No wall, however, shall be lined unless in good condition and not until the approval of the Building Inspector has been given in writing.

i. Parapets. All party walls over twenty feet high shall be finished with parapets except in fireproof buildings, detached dwellings, and dwellings in rows with pitched roofs. Parapets shall be the full thickness of the top story wall and shall extend two feet above the flat roof of dwellings and tenement houses in rows and three feet above the roof of other buildings. All parapets shall be coped with approved non-combustible material.

j. Vaulted walls. In all walls that are built vaulted, the same quantity of stone, brick, or concrete shall be used in their construction as if they were built solid, as in this By-Law provided, and no vaulted wall shall be built unless the parts of same are connected by proper ties, either of brick, stone, or iron, placed not over twenty-four inches apart, both horizontally and vertically.

k. Bearing walls in running bond. Shall be four inches thicker than the walls required under any paragraph of this section.

(10) Recesses, chases, and flues in walls. a. Stairway and elevator recesses. Recesses for stairways or elevators may be left in the foundation walls of buildings, but in no case shall the walls be of less thickness than the walls of the fourth story unless reinforced by additional piers with iron or steel girders, or iron or steel columns and girders, securely anchored to walls on each side.

b. Alcoves. Recesses for alcoves and similar purposes shall have not less than eight inches of brickwork at the back of such recesses and such recesses shall be not more than eight feet in width and shall be arched over or spanned with iron, steel, or reinforced concrete lintels and not carried up higher than eighteen inches below the bottom of the beams of the floor next above.

c. Pipe chases. No chase for pipes or other purposes shall extend into any wall more than one-third of its thickness. No horizontal chase in any wall shall exceed four feet in length. No chase shall be made within the required area of any pier. Chases shall not be cut in walls of hollow block construction, but may be provided by properly formed blocks. Chases shall be filled up with solid masonry within the floor thickness at each story.

d. Limitations. The aggregate area of recesses and chases in any wall shall not exceed one-fourth of the whole area of the face of the wall on any story. No recess shall be made within a distance of six feet from any other recess in the same wall.

(11)—Masonry arches and lintels. a. Bearings. Openings for doors and windows shall have well-built

and sufficient arches or lintels of masonry or metal which shall have a bearing at each end of not less than five inches on the wall. Bearing plates shall be provided for lintels resting on walls where the span is more than six feet, except in monolithic reinforced concrete construction.

b. Strength. All masonry arches shall be capable of sustaining the weight and pressure which they are to carry. Tie rods shall be used where necessary to resist the thrust.

On motion of J. William Fellows:

Voted: (Unanimously) That Section 16, as amended, relating to floor and roof loads and wind pressure, Building By-Laws, Town of Arlington as presented to the meeting be adopted as follows :

FLOOR AND ROOF LOADS AND WIND PRESSURE SECTION 16

(1) Floor loads. a. Minimum requirements. Every permit shall state the purpose for which the building is to be used, and all floors and stairs shall be of sufficient strength to bear safely the weight to be imposed thereon in addition to the dead load, but shall safely support a minimum uniformly distributed live load per square foot as specified in the following table:

CLASS OF BUILDING	Pounds per Square Foot
Armories, assembly halls, and gymnasiums	100
Fire houses:	
Apparatus floors	150
Residence and stable floors	50
Garages, private, not more than two cars	75
Garages, public	150
Grandstands	100

Hotels, lodging houses, boarding houses, clubs, convents, hospitals, asylums, and detention buildings:	
Public portions	100
Residence portions	50
Manufacturing:	
Heavy	250
Light	125
Office buildings:	
First floor	125
All other floors	60
Public buildings:	
Public portion	100
Office portion	75
Residence buildings, including porches	50
Schools and colleges:	
Assembly halls	100
Classrooms never to be used as assembly halls	50
Sidewalks	250
or 8,000 pounds concentrated, whichever gives greatest moment or shear.	
Stables, public or mercantile:	
Street entrance floors	150
Feed room	150
Carriage room	50
Stall room	50
Stairs, corridors, and fire escapes from armories, assembly halls, and gymnasiums	100
Stairs, corridors, and fire escapes except from armories, assembly halls, and gymnasiums	75
Storage, heavy	250
" light	125
Stores, retail	100
" wholesale	250

b. Special loads. The Building Inspector may require design for heavier loads than the above minimum

values if in his judgment the purpose of the building or vibrating machinery requires it. For buildings and structures not in the above table, the Building Inspector shall establish minimum live loads.

c. Existing buildings. The Building Inspector may prescribe the maximum loads which may be imposed upon the floors of existing buildings.

d. Posting of loads. In every mercantile building the allowable live load as approved by the Building Inspector shall be marked on metal plates and posted and maintained in conspicuous places on each floor to which they relate.

(2) Load requirements limits. Every plank, slab, and arch, and every floor beam carrying one hundred square feet of floor or less, shall be of sufficient strength to bear safely the combined dead and live load supported by it, but the floor live loads may be reduced for other parts of the structure in accordance with Paragraph (3) of this Section.

(3) Live load reductions. a. In all buildings except armories, garages, gymnasiums, storage buildings, wholesale stores, and assembly halls, for all flat slabs over two hundred square feet in area, reinforced in two or more directions, and for all floor beams, girders, or trusses carrying over two hundred square feet of floor, ten per cent reduction.

b. For the same, but carrying over three hundred square feet of floor, fifteen per cent reduction.

c. For the same, but carrying over four hundred square feet of floor, twenty-five per cent reduction.

d. These reductions shall not be made if the member carries more than one floor and therefore has its live load reduced according to the table below.

e. In public garages, for all flat slabs of over three hundred square feet area reinforced in more than one direction, and for all floor beams, girders, and trusses carrying over three hundred square feet of floor, and for all columns, walls, piers, and foundations, twenty-five per cent reduction.

f. In all buildings except storage buildings, wholesale stores, and public garages, for all columns, girders, trusses, walls, piers, and foundations, the total live loads may be reduced as follows:

Carrying one floor .....No reduction
Carrying two floors .....10 per cent reduction
Carrying three floors .....20 per cent reduction
Carrying four floors .....30 per cent reduction

(4) Roof loads. Roofs shall be designed to support safely minimum live loads as follows:

a. Roofs with pitch of four inches or less per foot, a vertical load of forty pounds per square foot of horizontal projection applied either to half or to the whole of the roof.

b. Roofs with pitch of more than four inches and not more than eight inches per foot, a vertical load of fifteen pounds per square foot of horizontal projection and a wind load of ten pounds per square foot of surface acting at right angles to one slope, these two loads being assumed to act either together or separately.

c. Roofs with pitch of more than eight inches and not more than twelve inches per foot, a vertical load of ten pounds per square foot of horizontal projection and a wind load of fifteen pounds per square foot of surface acting at right angles to one slope, these two loads being assumed to act either together or separately.

d. Roofs with pitch of more than twelve inches per foot, a vertical load of five pounds per square foot of

horizontal projection and a wind load of twenty pounds per square foot of surface acting at right angles to one slope, these two loads being assumed to act either together or separately.

(5) Wind pressure. a. In general. All buildings and structures shall be calculated to resist a pressure per square foot on any vertical surface as follows:

For forty feet in height..... Ten pounds

Portions from forty to eighty feet above ground .....Fifteen pounds

Portions more than eighty feet above ground .....Twenty pounds

b. Increased pressure. Such pressures may be apportioned equally between the windward and leeward surfaces. The Building Inspector may require a building or structure to be designed for larger pressure than the pressures given in the table, if, in his judgment, the exposure requires it.

c Bracing. If the resisting moments of the materials of construction are not sufficient to resist the moment of distortion due to wind pressure without exceeding the safe stresses of the material, additional bracing shall be introduced to supply the deficiency.

Article 3 taken from the table.

There being no further business under Article 3, the same was declared disposed of.

The meeting adjourned at 10:40 o'clock in the evening.

A True Record, Attest:

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.
To any of the Constables of the Town of Arlington,

Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said

town who are qualified to vote in Primaries to meet in their respective voting places, viz.—Precinct 1 Crosby School, Precinct 2 Hardy School, Precincts 3-4-5-6 Town Hall, Precinct 7 Locke School,—Tuesday, the fourteenth day of September, 1926, at twelve o'clock, noon, for the following purposes:

To bring in their votes to the Primary Officers for the nomination of Candidates of political parties for the following offices: Governor for this Commonwealth; Lieutenant Governor for this Commonwealth; Secretary of the Commonwealth for this Commonwealth; Treasurer and Receiver-General for this Commonwealth; Auditor of the Commonwealth for this Commonwealth; Attorney-General for this Commonwealth; Senator in Congress (to fill vacancy) for this Commonwealth; Representative in Congress for the Eighth Congressional District; Representative in Congress (to fill vacancy) for the Eighth Congressional District; Councillor for the Sixth Councillor District; Senator for the Sixth Senatorial District; 2 Representatives in General Court for the Twenty-eighth Representative District; County Commissioner (1) for Middlesex County; County Commissioner (1) (to fill vacancy) for Middlesex County; District Attorney for Middlesex District; Sheriff for Middlesex County; Register of Probate and Insolvency (to fill vacancy) for Middlesex County.

And for the Election of the following Officers: District Member of State Committee for each political party for the Sixth Senatorial District; 24 Members of the Republican Town Committee; 25 Members of the Democratic Town Committee; 19 Delegates to State Conventions of the Republican Party; 10 Delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 12 M. to 8 P. M.

And you are directed to serve this Warrant by posting attested copies thereof in the seven precincts of the Town seven days at least before the time of said meeting as directed by vote of the Town.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 16th day of August, A. D. 1926.

FREDERICK W. HILL,
NELSON B. CROSBY,
HOLLIS M. GOTT,
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., Sept. 13, 1926.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, places and objects of the meeting was published in the local paper.

(Signed) Daniel M. Hooley,
Constable, Town of Arlington, Mass.

Arlington, Mass.. Sept. 14, 1926.

In pursuance of the foregoing Warrant the inhabitants of the Town of Arlington qualified to vote in

Primaries met in their respective voting places in said Arlington on Tuesday, the fourteenth day of September, 1926.

Polling places had been designated as follows: Precinct 1, at the Crosby Schoolhouse, Winter Street; Precinct 2, at the Hardy Schoolhouse, Lake Street; Precincts 3-4-5-6, at the Robbins Memorial Town Hall; Precinct 7, at the Locke Schoolhouse, Park Avenue.

The following election officers, having been duly appointed, served as follows:

Precinct 1, Percy S. Morine, Harold F. Baumeister, Ralph E. Kinsman, Ruth M. Kelley, John S. Kelley, Agnes Hamall, Ethel C. F. Mellin, Claire L. Pavey, Arthur F. Coughlin, Chester E. Smith, Paul Fraser, Herbert B. Kellogg.

Precinct 2, Edward A. Smith, Walter J. Buckley, Ralph H. Kindred, Claude J. Hamilton, Robert K. Wallace, Carl O. Larson, Clarence A. Biathrow, Elizabeth Cain, Ruth E. Corey, Florence M. Orton, Mae Lyons.

Precincts 3 and 4, Roger W. Homer, Edward J. Dineen, Ralph W. Day, Francis J. Gallagher, Therese N. Turner, Ruth C. Turner, Frank Morrissey, Stanwood H. Cook, Mildred B. Hargrove, Thomas J. Keefe, Joseph Ochs, Frank Hargrove, David T. Dale.

Precincts 5 and 6, James E. Doughty, Augustus D. Doyle, John R. Hendrick, Benjamin D. Knowles, James G. Moir, Clarence Mellin, Charles Dockrill, Eliza Kirsch, John Mahoney, Arthur Hendrick, Maurice Hatch, John Dunn, Roger Dunbar.

Precinct 7, Floyd R. Battis, Carlton J. Meade, Ernest Cavicchi, Frederick B. Fallon, Adrian H. Robinson, James F. Colgan, May F. Currier, Sarah R. Vaughn, Edward A. Curley, Frederic Evans, George C. Tewksbury, M. Edward Gaddis.

All laws governing elections or primaries were observed. The polls were declared open in all precincts at twelve o'clock noon and remained open until eight o'clock P. M., at which time, after due notice, they were declared closed.

The ballots were counted by the election officers in each voting place, the tally sheets and total tally sheets prepared by the Town Clerk being used.

The ballots cast were after being counted enclosed in envelopes, sealed and signed by the election officers, delivered to the Town Clerk in the Town Clerk's office.

The Town Clerk and George McK. Richardson, having been duly appointed to act as deputy, canvassed the returns as made by the election officers. The result was as follows:

Town Clerk.

TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the Constitution requires, to meet in their respective voting places in said Town, Precinct 1 at the Crosby School, Precinct 2 at the Hardy School, Precincts 3-4-5-6 at the Town Hall, Precinct 7 at the Locke School, Tuesday, the second day of November next, it being the Tuesday next after the first Monday in said month, at 6 A. M., to act on the following Articles, viz:

Article 1. To bring in their votes for a Governor; a Lieutenant Governor; a Secretary; a Treasurer; an Auditor; an Attorney-General of the Commonwealth; a Senator in Congress for the sixth Senatorial District; a Congressman for the eighth Congressional District; a Congressman for the eighth Congressional District to fill vacancy; a Councillor for the sixth Councillor District; a Senator for the sixth Middlesex District; two representatives in the General Court for the twenty-eighth Middlesex District; one County Commissioner for Middlesex County; two Associate County Commissioners for Middlesex County; one District Attorney for the Northern District; a Sheriff for Middlesex County; a County Commissioner for Middlesex County to fill vacancy; a Register of Probate and Insolvency for Middlesex County to fill vacancy.

To vote "Yes" or "No" on the acceptance by the Town of Referendum Question No. 1—Shall an amendment to the Constitution which authorizes the General

Court to establish in any corporate town containing more than six thousand inhabitants a form of town government providing for town meetings limited to such inhabitants of the town as may be elected for the purpose, which received in a joint session of the two Houses held May 29, 1924, 189 votes in the affirmative and 40 in the negative, and at a joint session of the two Houses held March 18, 1925, received 262 votes in the affirmative and 4 in the negative, be approved?

To vote "Yes" or "No" on the acceptance by the Town of Referendum Question No. 2—Shall a law which amends existing law by striking out the provisions that veterans who pass Civil Service examinations shall be placed upon the eligible lists above all other applicants, that disabled veterans shall be placed ahead of all other veterans, and that disabled veterans shall be appointed and employed in preference to all other persons; and by providing in place thereof, that five points shall be added to the mark of veterans who pass such examinations, and ten points to the mark of disabled veterans, which law was disapproved in the Senate by a vote of 0 in the affirmative and 34 in the negative, and in the House of Representatives by a vote of 11 in the affirmative and 181 in the negative, be approved?

All the above to be voted for on one ballot. The polls will be open from 6 A. M. to 7 P. M. And you are directed to serve this Warrant by posting attested copies thereof in, at least, five conspicuous places in each Precinct, seven days, at least, before the time of said Meeting, as directed by vote of the Town. And you are further directed to leave an attested copy of this Warrant at every dwelling house in the Town.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day of Election.

Given under our hands this 18th day of October, A. D. 1926

FREDERICK W. HILL,
NELSON B. CROSBY,
HOLLIS M. GOTT,
Selectmen of the Town of Arlington.

CONSTABLE'S RETURN

Arlington, Mass., October 25, 1926.

Middlesex County:

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and places and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting Precinct in the town. A notice of the time, places and objects of the Meeting was published in the local paper.

The ballots cast in all precincts were delivered to the Town Clerk in sealed packages, as were the unused ballots. The voting list used at the entrances of the polling places and at the ballot boxes, with tally sheets and copy of precinct record of election, were also returned, all properly sealed in conformity with the laws governing election.

Arlington, Mass., November 12, 1926.

Pursuant to law the Town Clerk of Arlington and the Assistant Town Clerk of Lexington met in the office of the Town Clerk of Arlington on Friday, the twelfth day of November, in the year of our Lord, one thousand nine hundred and twenty-six, at twelve o'clock noon, for the purpose of canvassing the votes cast on the second day of November for two representatives to the General Court of the Commonwealth, to represent the Twenty-eighth Middlesex District.

The canvass showed the following result of the votes cast in Arlington and Lexington.

In Arlington, Elliott R. Barker had four thousand eight hundred ten (4810).

In Lexington, Elliott R. Barker had one thousand two hundred eighty-nine (1289).

In Arlington and Lexington, Elliott R. Barker had six thousand ninety-nine (6099).

In Arlington, George E. Briggs had three thousand nine hundred eighty-five (3985).

In Lexington, George E. Briggs had one thousand seven hundred seventy-five (1775).

In Arlington and Lexington, George E. Briggs had five thousand seven hundred sixty (5760).

In Arlington, Augustine D. Doyle had two thousand seven hundred twelve (2712).

In Lexington, Augustine D. Doyle had four hundred twenty-six (426).

In Arlington and Lexington, Augustine D. Doyle had three thousand one hundred thirty-eight (3138).

The canvass showed that Elliott R. Barker and George E. Briggs had a majority of the votes cast in both towns.

Certificates of votes cast for representatives in each town were exchanged by the Town Clerks respectively.

Certificates showing the results of the election were signed by the Town Clerks, one of the certificates was sent to the Secretary of the Commonwealth and the other two were delivered to Thomas O. D. Urquhart, Constable of the Town of Arlington, who in turn delivered them to Elliott R. Barker of Arlington and George E. Briggs of Lexington. The Constable filed a statement of these deliveries in the Clerk's office of the Town of Arlington.

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen submits the following report for the year ended December 31, 1926.

At the Annual Meeting of March, 1926, Mr. Hollis M. Gott was elected a member of the Board for a term of three years and was sworn to the faithful performance of his duty.

The Board organized with the election of Mr. Frederick W. Hill as Chairman and Mr. John A. Easton as Clerk of the Board and Agent of the Overseers of the Poor.

TOWN DEBT AND TAX RATE

The Town Debt on December 31, 1926, was $1,246,-900. This is an increase of $146,000 over the figure as of December 31, 1925.

For the year 1926

Total appropriations amounted to	$1,959,569.88
Total amount raised by taxes	1,493,801.29
Total amount raised by borrowing	274,000.00
Total amount raised by transfer	191,768.59
Property valuation	47,785,400.00
Tax rate $31 per $1000.	

Although the total number of permits granted by the Inspector of Buildings was less than in 1925 and the total cost of work done under these permits showed a decrease of about $1,000,000, strong evidences of continued growth in the population of the Town have been shown during the past year. During the year 1926 the estimated cost of work done under building permits was

$4,726,530. During the past year about 450 dwelling houses were erected, of which 286 were one-family dwellings and 164 two-family dwellings. Under the recent change in our By-Laws, several large and attractive apartment buildings are being erected at different points on Massachusetts Avenue. These buildings are of the best of construction, attractive in appearance, and furnish much needed requirements on the part of our citizens who desire the conveniences of well maintained apartments.

The Board feels that the Town should take steps this year to widen and reconstruct Massachusetts Avenue. Building lines have been laid on either side of Massachusetts Avenue from Central and Academy Streets to Lowell Street, Arlington Heights. Should Massachusetts Avenue be reconstructed and land taken as contemplated when building lines were laid, the Avenue would be 19 feet wider than its present approximate width of 65 feet from Academy Street to Lowell Street. The Board believes this is the proper time to lay building lines on other streets which should be widened in the near future, thus preventing further construction which would have to be removed at the expense of the Town when the streets are widened. The Board is entirely in accord with some of the plans outlined by the Planning Board in its report submitted a year ago. The Board believes it to be wise procedure to take additional land for park purposes and playground sites at this time. Land in Arlington is rapidly increasing in value and we may reasonably expect a population of 40,000 by 1937.

FIRE DEPARTMENT

The Town of Arlington is to be congratulated upon the efficiency and general high standing of its Fire Department.

The new Central Fire Station has been in continuous operation during the past year and stands as a monument

to those who are responsible for the construction and erection of a building so well planned to meet all requirements of an up-to-date fire fighting organization. The Park Circle Station was accepted by the Town on January 4, 1926. This station, which is of the bungalow type, is a complete unit in which a pumper and all necessary equipment is maintained. Four men are assigned to this station.

The Fire Chief has requested that the Board of Selectmen ask the Town to lay out and construct Gray Street so that a main artery of travel can be maintained on the westerly side of Massachusetts Avenue from the Heights to Pleasant Street. If this street is constructed, it would allow Engine 1, now installed at Park Circle Station, to quickly respond to all alarms on the high ridge from the Heights to Jason Street unhampered by traffic congestion on Massachusetts Avenue.

On January 11 high pressure was turned on in the Symmes Hospital district, giving 100 pounds pressure at the Nurses' Home and 80 pounds pressure at the hospital, an increase of 35 pounds.

On January 15 the Town appropriated $12,500 to purchase a new 750 gallon pumper, which was received January 20 and placed in service on February 3.

During the past year 10 additional firemen were appointed. This increase was necessitated by additional apparatus placed in operation and a new station at the Heights being opened.

The Board believes it will be necessary in the near future to substantially remodel the interior of the Highland Station on Massachusetts Avenue. This building has been in use for over fifty years, and is in such condition that steps should be taken at once to remodel and reconstruct the interior of the building so that the station

might be more in keeping with our other public buildings. At the present time the building is unsightly and unsanitary. Because of the wooden floors and walls, we consider the building to be a fire menace and not safe for the housing of 14 men at present quartered in this station.

During the past year eight firemen received thirty days' instruction at the Boston Fire Department Drill School. For this valuable instruction we are greatly indebted to Fire Commissioner Hultman and Chief Sennott of the Boston Fire Department.

During the past year 16 men have received certificates from the American Red Cross after a ten weeks' course under the direction of Dr. Kingman.

A six-story drill tower has been erected by the firemen in the rear of Highland Station. This tower is to be used by men from various stations, receiving instruction from Chief Tierney or Directors appointed by him.

During 1926 the number of calls to which the Department has responded has increased, although losses have shown a substantial decrease. During 1924 fire losses in Arlington amounted to $162,054, in 1925 $95,082 and in 1926 $53,599.

Inspections of all mercantile buildings as well as dwellings during the past year have undoubtedly had a material effect in reducing fire losses. During the past year 11,844 mercantile building inspections were made and 5,170 inspections of dwellings.

On August 28, 1926, the Town of Arlington lost one of its most valuable and best known citizens, Reuben W. LeBaron. Mr. LeBaron enjoyed a nation-wide reputation as an expert on Police and Fire Department signal systems. Arlington is fortunate in having enjoyed the benefit of Mr. LeBaron's genius in the laying out and the

installation of one of the most complete fire signal systems in the State, and which is now in operation at our Central Fire Station.

At a fire on February 4, 1926, Edward L. Smith, a call fireman, received injuries which necessitated his pension on September 1. Mr. Smith joined the Department in 1890 and had been on the payroll continuously since that date.

At present the Department consists of 28 permanent men and 12 call men. During the past year seven call men have been retired or dropped from the rolls. It is the intention of the Board not to increase the number of call men. On December 31, 1926, Call Lieutenant John T. Finley and Call Fireman Robert L. Austin were retired, having served the required period and requesting that this action be taken by the Board.

POLICE DEPARTMENT

The Police Department of Arlington is at present comprised of a Chief, one Inspector with rank of Lieutenant, four Sergeants, twenty-seven patrolmen and seven reserve officers; a total of forty men.

During the past year four regular patrolmen and seven reserve officers have been appointed. In October Charles E. Carroll and Harold L. Pick were appointed regular Police Sergeants. These men were appointed because of their records as patrolmen and high marks received by them in competitive examination. Although the personnel of this Department has shown a substantial increase during the past two or three years, it must be borne in mind that automobile traffic has also tremendously increased and must be directed through our streets, and traffic officers maintained at dangerous intersections. The acceptance of many new streets during the past few years means that additional police officers must be furnished to patrol these streets.

The efficiency of the Police Department is demonstrated by the fact that the number of cases lost in court by our police officers during the past year is unusually small. We have been fortunate in not having had any serious crimes committed in the Town during the past year. In spite of the strict enforcement of traffic regulations, three persons were killed and 77 injured by autos in 1926. Seven hundred ninety-four persons appeared in court for violation of auto laws, 314 for violation of traffic rules. Due to the increasing tendency of automobile owners to park their cars on busy thoroughfares and narrow streets, it has been necessary for the Board to issue traffic regulations restricting the parking of cars on certain streets. Unrestricted parking may cause a dangerous condition in case of fire, and it is hoped the people of the Town will cooperate with the Police Department in maintaining these regulations.

The patrolmen have requested the Board for an increase in wages to $6 per day, maximum, beginning January first, 1927. The matter of salary increase has received close study on the part of members of the Board and we believe that our requested appropriation for salaries to members of the Police Department is sufficient to properly maintain this Department during the year 1927.

Work on the new Police Station is progressing rapidly and it is hoped that the Department may move into their new quarters during the month of May. The completed building will unquestionably be one of the finest Police Department buildings in the State, and it is anticipated that a public dedication may be observed during the early summer.

In August, 1926, the Town suffered the loss of Sergeant Theodore R. Belyea, who passed away after an illness of several weeks. Sergeant Belyea, through his fine personality and his inestimable value to our Police De-

partment, had won a position of great respect among our townspeople. His loss has been and will be keenly felt by all of those with whom he was associated.

OUTSIDE POOR

During the year 1926, $28,218.64 was expended under direction of the Board of Selectmen in their capacity as Overseers of the Poor. This amount in our opinion was spent wisely and with careful thought, and we believe that no worthy case was denied aid. Due to our increasing population we may expect a gradual increase in the amount necessary to be appropriated for this purpose. The Town has been reimbursed to the extent of $8,821.91 received from other cities and towns for money spent by Arlington for the benefit of people having legal settlements in other cities and towns.

ROBBINS MEMORIAL HALL

This building which was so generously donated to the Town should be maintained in the best of condition. The Board has asked for a sufficient appropriation to purchase new canvas floor covering for the main hall which has been in constant use since the building was dedicated in 1913, and for sufficient money to repaint walls, ceilings, etc., where necessary. The general condition of the building is satisfactory. It may be necessary at some early date to slightly remodel the building so that increased accommodations may be had, or to maintain municipal offices in some other building.

MENOTOMY HALL

As the Police Department expects to leave its present quarters in April or May of this year, the question of the disposition of Menotomy Hall will soon arise. The Board believes this matter should be referred to a special committee to be appointed by the Moderator at the Annual Town Meeting in March. At present the only regular

tenant other than the Police Department is S. K. Ames Company occupying their quarters as tenants at will. The hall is used by the Boy Scouts, Girl Scouts, Junior High School students for physical instruction, and by various other associations from which no rentals are received. The building is in a more or less dilapidated condition. To continue the use of the building for any purpose, would require the expenditure of a substantial amount of money.

Numerous hearings have been held during the past year on appeals from zoning By-Law restrictions. In some cases the requirements have been waived at the request of petitioners where the By-Law seemed to work an unnecessary hardship.

The Board has granted no applications for gas stations during the past year, as it believed that public necessity and convenience was not an important issue in any petition.

REPORT OF LICENSING COMMISSION

To the Honorable Board of Selectmen,
Arlington, Mass.

Gentlemen:

The Licensing Commission hereby respectfully submits its third annual report.

The Commission was organized with Daniel B. Tierney, Chairman, and John A. Easton, Clerk.

The Commission has met on the first and third Friday evenings of each month, in the Selectmen's Room.

In January and February meetings were held on the first Friday evenings only.

A total of twenty-two sessions were held at which hearings were given on four hundred forty-one (441) petitions for garages.

Four hundred thirty-four (434) licenses were granted. One petition was withdrawn, one license refused, one hearing tabled until March 4, 1927, and four taken under advisement.

In cases where abutting property owners have objected to the location of a garage, the members of the Commission have visited the premises before handing down a decision, and by so doing have been able to straighten out several unpleasant situations.

DANIEL B. TIERNEY,
WILLIAM GRATTO,
THOMAS O. D. URQUHART,

Licensing Commission, Town of Arlington.

REPORT OF FIRE DEPARTMENT—1926

To the Honorable Board of Selectmen,
Arlington, Mass.

January 1, 1927.

Gentlemen:

I have the honor to present my fourth annual report as Chief of the Fire Department for the year ending December 31, 1926.

The Department now consists of thirty-one permanent men, viz: one Chief; five Captains; twenty-five Privates, ten of whom were appointed during the year; and twelve Call-men. At the beginning of the year there were nineteen Call-men. Three were transferred to the permanent force, three were retired on the pension and one resigned.

Edward L. Smith, a call-fireman since 1890, was injured at a fire on February 24th and was pensioned September 1st on the permanent men's rate, $1003.75 per year.

Lieutenant John T. Finley, call-fireman for twenty-five years, and Robert L. Austin, for nearly thirty years, having reached the retiring age, were pensioned on December 31st at $105 and $100 respectively.

An appropriation of $12500 was made at a Special Town Meeting held January 14th, to purchase a 750 gallon pumping engine. A Seagrave pumper was bought. It was received January 20th and placed in service February 3rd after having passed the three hour test required by the Underwriters. The test was made under the direction of an engineer of the New England Insurance Exchange. This piece of apparatus is known as Engine

1. The old Knox pumper was changed from Engine 1 to Engine 2, February 3rd.

Two ladder trucks; two pumpers; and three combinations comprise the total equipment.

The Department responded to 120 bell alarms; 229 still alarms; and 24 mutual aid calls; a total of 373 alarms, 80 more than last year and the largest in the history of the Department.

One general alarm was sounded and nine false alarms, ten less than last year.

GENERAL ALARM

General alarm sounded from Box 72, 1:05 A. M. January 25th for fire in Crescent Hall, 1315 Mass. Avenue. Loss $19,000 on the building and $1,258.42 on the contents. Medford, Somerville and Belmont responded.

FIRE PREVENTION

This year 11,844 inspections were made of all public and mercantile properties, an increase of 1482 over last year. Owners and occupants of the 650 places which the Department inspects twice each month, have complied with every request made or suggestion offered for the correction of any condition that might cause fire or the spread of fire.

The third annual inspection of all dwellings which began September 20th was carried on in the same manner as in the two previous ones, by the firemen on their "days off." Each man gave three days to the work and made a thorough inspection of the cellars of 5170 houses.

A most decided improvement in conditions was noted over other years, which was due in a great measure to the desire of the householder to assist the firemen who were making a sacrifice for the safety of the occupants of every Arlington home, and to the wisdom of the Board of Public Works in returning to weekly instead of monthly collections of rubbish during the summer season. It was the intention this year to reinspect the places in which bad conditions were found but as these were comparatively few, and we were assured of their immediate correction, no further inspection was thought necessary.

Total inspections for the year	17,014
Houses inspected in 1924	3,918
Houses inspected in 1925	4,640

DEFECTS FOUND

Papers in quantity were found in 881 cellars; rubbish 425; ashes in wooden containers 124; defective smoke pipes 166; defective chimneys 50; defective wiring 63; unprotected walls 37; ashes against wood partitions 14; paints and oils 80; oily rags 12; inflammable fluids 3.

130 dwellings are equipped with oil burners.

1434 houses have combustible roofs (wooden shingles).

123 suites unoccupied.

2170 garages on lot with house.

A fire drill was given in every school, a report of which was sent to Mr. Moody. All school buildings were inspected twice each month and 104 extinguishers discharged and recharged.

Three hundred and forty-two permits were issued for the burning of rubbish. These permits may be had at either station at any time.

Seven hundred and sixty-four automatic gas fire plugs were installed during the year, making a total of 2473 gas meters protected in this manner, since the first installation February 1, 1924.

Ten of the twelve hydrants requested on the north side of Massachusetts Avenue from the police station to Forest Street have been installed and the remaining two will be placed early in the coming year. These hydrants will be used for fires on the north side and the continual flow of traffic will not be impeded. They also open up another supply of water valuable in the event of a serious fire or a break in the high service main.

The Park Circle Station was turned over to the Building Committee by the contractor January 4th and on February 10th Engine 2 was placed in service in this station and four men assigned to duty there. This station is of great value to the Department, located as it is on the hilltop it affords excellent protection to that section, as the apparatus and men can make quick response to all calls for their service. Ninety-four calls were responded to, which many times has saved other apparatus long-up-grade hauls.

The men's days off were stopped from February 4-12 on account of the blizzard of February 4th and 10th. They were on duty continually, meals being served them in the stations.

DRILL TOWER

A five story drill tower for regular, systematic training in the use of ladders, hose, life nets and all fire appliances was erected by the firemen in the rear of the Highland Station at a cost of $850 for materials.

All technical details of the foundation and tower

were furnished and supervised by A. W. Isele who has on several occasions directed the reconstruction of fire apparatus.

Practice periods for all companies will be held throughout the year. All men hereafter appointed for a trial period will be obliged to successfully complete a thirty days' course of training before being accepted for the permanent force.

Eight firemen completed a thirty-days' course in the Boston Fire Department Drill School this year, and each one received a certificate from Commissioner Hultman.

Sixteen men have now received this training.

FIRST AID

Dr. W. M. Kingman, Department Physician, instructed the Firemen in First Aid. A two-hour lesson was given once a week in each station for ten weeks, after which an examination was given and sixteen firemen were awarded certificates from the American National Red Cross at Washington, D. C. He has volunteered to repeat the course the coming year for the new men.

The knowledge acquired from this instruction in the Prone Pressure Method of Resuscitation for drowning persons, gas victims and those suffering from electric shock, the application of splints to broken limbs and first treatment for all accident cases, while of the greatest value to men rendered unconscious or injured when fighting fire, will also be available at short notice for public emergency whenever such service is needed.

Early in the year the Board of Selectmen requested the New England Insurance Exchange to make a survey of the Department to ascertain if a lower rate of insurance might be had. The checking up began January 25th

and their report submitted on April 2nd. All of the requirements specified in that report have been fulfilled with the exception of replacing the old Knox pumper at the Park Circle Station with a new one. The old engine failed during the test, and they recommended that because of its thirteen years of service its dependability for severe duty was problematical and that it should be overhauled and placed in reserve. If this required change is made the insurance rates on all mercantile risks will be reduced from fourth to third class.

RECOMMENDATIONS

I earnestly recommend that Gray Street be opened its entire length for the safe passage of fire apparatus, that this rapidly growing section may have adequate fire protection.

At present apparatus from the Park Circle Station is unable to pass beyond Mt. Vernon Street on account of an undeveloped section of Gray Street at this point and another section from Highland Avenue to Lockeland which if opened would allow this apparatus to serve the entire ridge, even to Pleasant Street.

A very large part of this hilly section is now protected by apparatus from the other stations that must travel through congested traffic on Massachusetts Avenue, after which a long up grade haul and the consequent loss of valuable time.

This street would be of the greatest benefit in the winter when snow and ice make it diffcult for apparatus from Massachusetts Avenue to reach this ridge while from Park Circle Station it would be comparatively easy to take care of the entire length of Gray Street and the streets leading from it.

If these sections are opened and a twelve inch water main is laid in the newly constructed parts, eliminating

the existing "dead ends" it would furnish a circular main from Massachusetts Avenue through the intersection streets to Gray Street and greatly improve the water service for Gray Street and all streets leading from it. At present this is a weak point in the water distribution.

Many other reasons could be advanced showing the need of this street but as I am interested solely in the matter of rendering fire protection to this section, I feel that from that point alone it should be considered an emergency measure and immediate action taken.

I recommend that the four inch pipe on Bartlett Avenue and Webster Street be replaced with a size of sufficient capacity.

For the third time I advise the installation of sprinklers in the basement of all schools except those of modern construction, particularly the Senior High and the Junior High Centre. Should a fire get a good start in the basement of either building, replacements would be necessary.

Extensive repairs are needed at the Highland Station to comply with the State Rules and Regulations. The wooden floor of the apparatus room should be replaced with a cement floor and a rearrangement of the rooms on the second floor should be made.

I recommend that $90,744.90 be appropriated for the maintenance of the Department for the ensuing year, this sum to cover the expense of four additional men and the purchase of a pumping engine to replace Engine 2 as required to obtain third class insurance rates.

In concluding I wish to express my gratitude to the Honorable Board of Selectmen for their just and im-

partial consideration of all matters presented to them, the Board of Public Works for their compliance with all the many demands made upon them, the Police Department for their complete co-operation with the Department throughout the year.

I extend heartiest thanks to my officers and men who, for their sacrifice, loyalty, obedience and faithful performance of duty, deserve credit for what ever good the Fire Department has accomplished. To direct these men has been a pleasant duty.

Respectfully submitted,

DANIEL B. TIERNEY,

Chief, Arlington Fire Department.

DEPARTMENT OF POLICE

THE POLICE SIGNAL SYSTEM

The system has hardly run a day without trouble necessitating constant tinkering by the Wire Department. Owing to this fact, it has been a serious handicap to us in the proper discharge of our duties.

I am firmly of the opinion that at least twice a year we should have this system gone over independently by the experts of the Gamewell Company and a report as to its condition made by them to us.

This system should give us efficient service, if it does not we should know the reason and remedy the fault at once, and the checking up by the Gamewell Company should remedy this.

One hundred seven thousand one hundred ninety-one duty calls have been turned in by officers on their routes during the year and 5,125 telephone calls and 153 wagon calls been received over this system from officers on street duty.

I recommend that two new boxes be installed, and have requested the Superintendent of Wires to include this in his budget.

TRAFFIC

The year 1926 has passed with the usual record of unfortunate automobile accidents and the auto traffic was the heaviest known.

I am sorry to have to report three fatal accidents by auto which spoils an otherwise clean score, but when auto owners and drivers will drive or allow to be driven, cars with defective brakes and lights, just so long will the lives and safety of the public be endangered.

77 pedestrians were injured during the year by autos.
2 pedestrians were injured by electric cars.
1 pedestrian was killed by an electric car.
1 pedestrian was injured by a bicycle.
105 auto collisions have been recorded.

There have been recorded by us reported as stolen in the Metropolitan District, 5484 automobiles.

We have recovered 37 cars stolen in other places and delivered them to the proper authorities.

14 cars were reported as stolen in Arlington and all have been recovered.

During the year we have caused investigation to be made in 14 fatalities that have happened in Arlington.

The records of 655 transfers of automobiles by dealers have been recorded and 554 sales by citizens.

60 persons were arrested for operating an auto while under the influence of liquor.

58 licenses to operate, held by Arlington citizens, have been suspended and 68 revoked during the year.

140 permits to operate busses have also been recorded as required by law.

During the year we have had two motor cycles on the streets assisting in the handling of our traffic. They have been ridden 12,226 miles and have been of immense value to us in keeping, otherwise, violators of the auto laws within bounds.

In regard to traffic signal stop and go lights, I am strongly of the opinion that we should go slow on these schemes (and there are many of them) all the best in the world until actual try-outs at a large expense to the Town.

All stop and go signals should be standardized and should be furnished at a proper rental by the lighting company in exactly the same manner as is done in our street lighting.

The City of Lynn made a contract with its Electric Light Company for street and traffic signal lights, and they have been installed and are giving that City the maximum service at a minimum cost; if such a program is feasible and economical for the City of Lynn, and it has proven so, I can see no reason why such an arrangement would not be to the advantage of Arlington.

I strongly urge that before anything further is done in this line or of street lighting that your Honorable Board, together with the Board of Public Works, visit Lynn and while there the General Electric Company's plant, and there see practical demonstrations on which they have spent thousands of dollars to perfect in order to give you a maximum amount of light and service for a minimum amount of money. The system, there in use, will be a revelation to you and an interesting education on this subject.

In conclusion, I desire to thank your Honorable Board for the assistance rendered during the year in the interest of law and order.

To the officers of this Department I am duly grateful for the willingness and cooperation shown by them in the discharge of arduous duties.

I cannot say too much in praise of the Justices of our several Courts and the District Attorney's office for the loyal cooperation given this Department.

Respectfully submitted,

THOMAS O. D. URQUHART,
Chief of Police.

In Memoriam

SERGEANT
THEODORE RAYMOND BELYEA

Appointed as a special police officer June 15, 1912.

Appointed a member of the regular police force June 16, 1913.

Appointed acting sergeant May 1, 1923 and regular sergeant October 29, 1923.

Died
August 18, 1926. Age 42.

Whereas the Almighty God in His infinite wisdom has removed from our midst our late and esteemed

SERGEANT, THEODORE RAYMOND BELYEA,

who, in life, was a true and faithful member of the Police Department of Arlington, Massachusetts, honest, efficient, a true and faithful comrade, his removal will be keenly felt by us to whom he had endeared himself by his spirit of fair play and fellowship.

While we know that mere words cannot alleviate the bereaved family, yet, we feel that it will be consoling to them in their sorrow to know that faithful friends and members of this department wish to express their deepest sympathy in this their dark hour of affliction.

Go thou thy way and I go mine;
Apart, yet not far;
Only a thin veil hangs between
The pathways where we are,
And "God keeps watch 'tween thee and me,"
This is my prayer;
He looks thy way, He looketh mine,
And keeps us near.

And when the history is finally written, when the toll is at last complete, it can be more truly said,

He was a man,
Take him for all in all.

REPORT OF THE GYPSY AND BROWN TAIL MOTH DEPARTMENT

January 1, 1927.

To the Honorable Board of Selectmen:

Dear Sirs:—I herewith submit my report as Supt. of Moth Dept. for year ending Dec. 31, 1926.

The work of this department this year has not differed any in character from that of previous years.

Spraying, treating nests, and cutting and burning brush have been applied as conditions required.

The gypsy moth egg clusters have been slightly less in evidence this year, yet there is a scattered infestation throughout the Town. The worst infestation is on the willows around Spy Pond. This infestation has been creosoted and I look for good results the coming year. The willows in the rear of Mt. Pleasant Cemetery were covered with the Fall Web Worm. These were all cut off and burned. This insect is increasing rapidly and more work will have to be done this year if we wish to check its advance.

The past year we sprayed 171 private places for which the Town will be reimbursed about $1000. In regard to creosoting egg clusters it is very evident that many private estates would not do the work and it is my conviction that the most efficient method is the manner which the Town has adopted, namely:—If the owner fails to do it in a reasonable time, the Town will. This report should not have the effect of creating a feeling of

security that would lead us to contemplate a cessation of our efforts. I visited the Cape Cod section this year, and there was scarcely a tree that was not badly infested. With the heavy automobile traffic through that section the spread of this moth is inevitable.

I hope that the work which has accomplished so much thus far will not now be suffered to lag through lack of either funds or public support.

The following is a summary of the nature and location of work, also expenditures.

REPORT OF BOARD OF HEALTH

Herewith is submitted the 32nd annual report of the Board of Health since its inception as a separate department. A conservative estimate at this time would seem to place our population at 26,000 and we shall accordingly use that figure as a basis for our tabulations in making up this report. During the year, twelve regular monthly and three special meetings have been held, making a total of fifteen meetings in all for the year. At the Annual Town Meeting held March 1, 1926, Ernest R. Brooks, D. M. D., was re-elected a member of the Board for the term of three years, and after qualifying before the Town Clerk, the Board held a special meeting March 6 and organized for the year by re-electing Mr. Alfred W. Lombard as its Chairman for the ensuing year.

APPOINTMENTS

WILLIAM H. BRADLEY, Agent and Clerk
EZEKIEL PRATT, M. D., Physician to Board
EZEKIEL PRATT, M. D., Bacteriologist
E. F. MACKAY, D. M. D., Dental Operator
*LOUISE L. LaPORTE, R. N., Asst. to Dental Operator
*LOUISE L. LaPORTE, R. N., Board of Health Nurse
HELEN HEFFERNAN, R. N., Asst. to Dental Operator
HELEN HEFFERNAN, R. N., Board of Health Nurse
ALFRED W. LOMBARD, Inspector of Milk
WILLIAM H. BRADLEY, Collector of Milk Samples
*CHESTER L. BLAKELY, M. D. V., Insp. of Slaughtering
ARTHUR TAYLOR, Insp. of Slaughtering
WILLIAM H. BRADLEY, Insp. of Slaughtering

* Resigned.

During the year 1227 cases of reportable diseases have been reported to this Board, against 779 cases for the year 1925. Of these 1227 cases reported, 410 were diseases of the minor types and where no physician was called. Under the conditions that prevailed in former years, the majority of cases of this kind occurring were probably never reported. Now, however, the enforcing of the rule by the school authorities, requiring a certificate from the Board of Health before re-admittance to school after an attack of any communicable disease, necessitates the parent, where no physician is called, reporting the case before the admittance certificate is issued. This, together with the increase in our school population, accounts for the large increase in number of cases reported over previous years.

Confirming our belief in preventive measures for certain diseases, we have held two very successful Schick Test Clinics the past year. The ever increasing number of children attending these is certainly gratifying, proving conclusively that parents are more and more realizing the efficacy of this simple and absolutely harmless method of protecting their children against Diphtheria. Like every new idea or new medical discovery, regardless of its merit, a certain amount of publicity is necessary for success, and believing that this information can be more easily and more widely disseminated through these free clinics, rather than through private channels, we shall continue them for the present as heretofore. Proceeding further along the lines of preventive measures we may with safety state that there is no longer any doubt in regard to Diphtheria, Smallpox and Typhoid Fever being classed as preventable diseases. In fact, where either of these diseases occur it means that available preventive measures have not been taken. Frequent health examinations, at all ages, assuring an early diagnosis, followed by proper medical treatment, will often-

times prolong life. The family physician should be the adviser in all matters pertaining to preventive measures.

Our Dental Clinic has, as in the past, continued to perform its good work during the year. Miss Louise L. LaPorte, who had very efficiently filled the combined positions of Board of Health Nurse and Assistant to the Dental Operator for the past two and one-half years, tendered her resignation which was accepted to take effect October 16, 1926. Miss LaPorte leaves to accept a position in her home city of Lowell, Mass. Miss Helen Heffernan, residing 9 Allen Street, Arlington, was appointed to succeed Miss LaPorte and commenced her duties October 18, 1926.

The so-called Valley Sewer, which the Metropolitan District Commission have had under process of construction for the past two years is now practically completed as laid out to Forest Street. To gain the full benefit of this sewer, mains must be laid in the connecting streets, and as many of the dwellings on these streets are suffering for sewer connections, it is hoped that liberal appropriations will be made available in order that the work of laying these may be early started and pushed forward to completion as rapidly as possible.

In our report of last year we made mention of the rank growth of vegetation in Spy Pond, together as to what progress had been made towards its removal. In furtherance of this project we caused an article to be inserted in the Warrant of the special Town Meeting held January 14, 1926, requesting the appointment of a committee to consider the condition of Spy Pond and the report thereon by the State Department of Public Health. The Moderator appointed a committee of five citizens to act in the matter. This committee caused an article to be inserted in the Warrant of the Annual Town Meeting of March 26, 1926, requesting an appropriation to meet the cost of further investigation and the necessary pre-

liminary work in connection with the project. At the adjourned Town Meeting held April 5, 1926, upon the recommendation of the Finance Committee of Twenty-One the sum of $6,000 was appropriated for the improvement of, or in connection with, Spy Pond to be expended under the direction of this committee. The committee will undoubtedly make its report as to what has been accomplished in the matter at the Annual Town Meeting of March 1927.

The usual licenses and permits conforming with the statutes and our regulations were issued. These increase in number from year to year in accordance with the increase in population.

The financial report of the department, giving a detailed account of the expenditures of each branch, together with the reports of appointees, is appended.

Respectfully submitted,

ALFRED W. LOMBARD,
CHARLES F. ATWOOD, M. D.,
ERNEST R. BROOKS, D. M. D.

Board of Health.

REPORT OF THE DENTAL CLINIC

To the Board of Health, Arlington, Mass.

I herewith submit the annual report of the work performed in the Dental Clinic during the year ending December 31, 1926.

During the first week in June the customary examination of children dismissed the previous year was made in an effort to determine the value of work completed. Due to various causes but one hundred and forty-four of these children could be located. Seventy-four were found to be without cavities, which is a very good percentage.

When school re-opened in September the usual examination of second grade pupils was made. Eighty-three per cent of the five hundred and five children examined were found to have defective teeth. Cards were sent to the parents of these children and the attendance has been very satisfactory.

The following is a summary of the work accomplished:

Extractions

Deciduous teeth	463
Permanent teeth	91

Fillings	Deciduous teeth	641
	Permanent teeth	1283
Treatments	Deciduous teeth	146
	Permanent teeth	263
Prophylactic treatments		187
Total number of operations		3074
Total number of sittings		1204
Total number of new patients		231
Total number of cases dismissed		171

Respectfully submitted,

EDGAR F. MACKAY, D. M. D.

REPORT OF AGENT AND CLERK

To the Board of Health, Arlington, Mass.

Gentlemen: I herewith submit my report as Agent and Clerk of the Board for the year ending December 31, 1926. In addition to the clerical work in connection with the office I have, in so far as possible, made weekly inspections of all food producing and food distributing establishments. The number of such inspections together with other work, inspections and investigations coming under the duties of the Agent follows:

Inspections

Stores and Markets	747
Fish Markets	190
Lunch Rooms	312
Bakeries	185
Ice Cream Parlors	112
Fruit Stores	118
Soda Fountains	173
Chain Stores	560
Miscellaneous	22
Total	2419

Other Inspections

Barber Shops	92
Theatres, etc.	37
Manicuring Parlors	52
Miscellaneous	32
Total	213

Two hundred and eight complaints requiring investigation were received and adjusted.

Patients placed in State Sanatoria	9
Total	28

Tenements inspected upon completion of renovation after recovery or removal of persons afflicted with communicable disease	4
Legal settlements investigated	32
Infant Boarding Houses inspected	2

Respectfully submitted,

WILLIAM H. BRADLEY,

Agent.

REPORT OF MILK INSPECTOR

To the Board of Health, Arlington, Mass.

Gentlemen: I herewith submit my report as Milk Inspector for the year ending December 31, 1926. At a meeting of the Board of Health held April 5, 1926, the following regulation relative to milk was adopted:

OFFICE OF THE BOARD OF HEALTH

Arlington, April 5, 1926.

Chapter XIX of the Rules and Regulations of the Board of Health is hereby amended by adding the following regulation thereto and said regulation is hereby made and adopted:

REGULATION 21

No person, firm or corporation shall sell, exchange or deliver or have in his or their custody or possession with intent to sell, exchange or deliver in the Town of Arlington, milk drawn from any cows that have not been tested within a period of one year by a tuberculin test as approved by the Director of Animal Industry, and found not to react thereto. This regulation shall not apply to pasteurized milk or milk intended for pasteurization, and shall take effect on and after January 1, 1927.

A True Copy, Attest:

WILLIAM H. BRADLEY,
Clerk.

As a result of the adoption of this regulation 90% of the 13,000 quarts of milk consumed daily in Arlington is Pasteurized. The remaining 10% is from tuberculin tested cows and is sold raw. The per capita consumption is practically one pint, which corresponds favorably with the average of other milk consuming areas in the country. High solids and fat content together with low bacterial counts have prevailed throughout the year. In connection with my position as Milk Inspector I attended the Annual Meeting of the International Association of Dairy and Milk Inspectors held in Philadelphia, also legislative hearings on matters pertaining to milk held at the State House in Boston. A summary of the year's work follows:

Licenses issued:		
For sale of Milk from stores		175
For sale of Milk from vehicle		48
For sale of Oleomargarine		45
Total		268
Samples of Milk Analyzed.	Taken from vehicles on street	253
	Taken from schools	10
	Left at Laboratory	4
	Total	267
Samples of Ice Cream Analyzed	Taken from Manufacturers and Ice Cream Parlors	11
Inspections of Milk Plants		24

Respectfully submitted,

ALFRED W. LOMBARD,

Inspector.

ARTHUR TAYLOR,
Inspector.

REPORT OF THE SCHOOL COMMITTEE

The School Committee organized for the year, according to its rule of procedure, on March 3, 1926. For the first time in a period of over seven years, the Committee began its work for the year without the presence and help of one of its most valued members, Mrs. Dallin. Her talents and her singularly fine equipment for service to the schools were recognized by all of us, and it was with the keenest personal regret that we recognized her right to retire because of the pressure of other duties. The Town will always be in her debt on account of a long and faithful service, distinguished by insight and intelligent understanding of school problems. The place left vacant by Mrs. Dallin's retirement was filled by the election of Mr. M. Norcross Stratton. In June, 1926, Mr. Bradford E. Swift, whose term of service on the Committee began in March 1925, resigned. At a meeting of the Joint Committee of the Board of Selectmen and the School Committee, held in September, this vacancy was filled by the election of Mrs. Joseph W. Downs.

During the year progress has been made in the reorganization of the school system and this work is going on as fast as means and circumstances will permit. It is a result of a thorough analysis of the schools and courses of study by the Superintendent. Last year we gave a great amount of time and discussion to the remodeling of the school rules. At present the Committee is preparing a similar revision of courses of study, with a view to the elimination of non-essentials. In schools, as in business organizations, periodic stock-taking is necessary for efficiency.

The no-school signal on stormy days, discontinued by vote of the Committee last year, has recently been restored, because of the general desire on the part of citizens for such a signal. It is likely, however, that the Committee will have to ask the Town to provide additional apparatus in order to give fair notice to all parts of the Town alike. A recent test appeared to show that of the homes represented in the schools an average of about 16% in the whole Town failed to hear the no-school signal while in the Locke district there were 116 families or about 35% of the school registration that failed to hear the signal.

The School Committee during the year 1926 has had a busy year, as is inevitable in the conduct of a school system that includes 203 teachers, 5058 pupils, and thirteen school buildings, including two portables in temporary use. The recent growth of the population of the Town—nearly 50% in the last six years—has been nowhere more evident than in the increase in the work of the School Committee and the Superintendent of Schools. The increase in school enrolment in the last five years has been 1500—an average of 300 per year; the total increase in the preceding five years was only 327. It is clear that so constant an enlargement of all our classes has meant an equally constant demand for more teachers, more class rooms, and more equipment. We are still in arrears of the demands upon us in point of equipment, of necessary repairs, of accommodations for pupils, and of adequate salaries for our teachers. We believe that the citizens recognize this fact and will meet any reasonable program intended to guarantee to the children of Arlington the sort of teaching and educational opportunities to which they are entitled. We ask that citizens, who wish to be assured that the school system is being economically conducted, compare the figures in the record of the growth of school enrolment for the past five years with those of the budget for the schools in the same period.

So far as new school buildings are concerned, it is evident that we must expect to provide each year for several years to come one new building or one addition to some one of our buildings now in use. There are no present signs of abatement in the growth of the population of Arlington, and we cannot with safety let the school enrolment get a bit farther ahead of the schools and seats provided for it than it is at present. This, our most pressing problem, is in the hands of the Committee on Additional School Accommodations, appointed last March by the Moderator. Great relief will come to us as soon as the Junior High East is ready. Within the next three years an addition to the High School will be necessary. The Committee urges upon the citizens the desirability of providing separate High Schools for boys and for girls.

Respectfully submitted,

ALEXANDER H. RICE,
For the School Committee.

REPORT OF SUPERINTENDENT OF SCHOOLS

January, 1927.

To the School Committee and
Other Citizens of Arlington:

Herewith is respectfully submitted the fourth annual report since the duties of Superintendent of the Arlington School Department were assigned to me. During the last four years the annual reports have not been burdened with many tables, graphs and statistics as is often the case with such reports, but an effort has been made to confine them to statements of the progress, accomplishments and needs of the department, including only the attendance records required by Town vote. For this reason it is believed that an attempt to show by a few comparative tables just what the recent rapid growth of the Town has done for the School Department and what has been accomplished in spite of such conditions will be met with some tolerance, if not with considerable appreciation and interest. In general the statements in this report will be grouped under the following five topics:

I. Recent Rapid Growth of the School Department.
II. Economy in the School Administration as Reflected in Comparisons of Enrolment and Appropriations.
III. Overcrowding and the Retarded Building Program.
IV. Other Unfinished Work and Immediate Needs.
V. Progress and Improvements Resulting from Changes and Additions to the Work

I. RECENT RAPID GROWTH

What has happened to the School Department as a result of the rapid growth of the Town during the last five years can be learned from the ten-year enrolment table shown below. This indicates that the increase in enrolment from 1921 to 1926 was 1496 students against an increase of 327 during the previous five years from 1916 to 1921—nearly five times as many additional students in the same length of time.

TABLE II—ECONOMY IN ADMINISTRATION

TEN YEAR TABLE COMPARING ENROLMENT WITH APPROPRIATIONS

	1916	1917	1918	1919	1920	1921	1922	1923	1924	1925	1926
Enrolment at time of Budget making	3235	3315	3299	3395	3335	3562	3666	3898	4220	4627	5058
Appropriation Exclusive of Outlay	$116670	$140845	$163109	$184084	$257309	$289839	$324524	$331569	$351845	$400410	$456820

Percent of increase in Enrolment from 1916 to 1921 is 10%

Percent of increase in appropriation from 1916 to 1921 is 148%

Percent of increase in Enrolment from 1921 to 1926 is 42%

Percent of increase in appropriation from 1921 to 1926 is 58%

The above tabulations are planned to show the comparisons of two five year spans, but a better idea of the work and results of the present administration can be obtained by a comparison of the enrolment and cost of 1926 with the same items for 1922, at which time the work of the present Superintendent began in Arlington.

FOUR YEAR TABLE (1922-1926)

	Enrolment	Cost Exclusive of Outlay
1926	5,058	$ 456,820.00
1922	3,666	$ 324,524.00
Increase	1,392	$ 132,296.00
Percent of Increase	38	40

The above tabulation shows that for the last four years the increase in appropriations has been only slightly more than the increase in enrolment.

To many this may not seem like an unusual accomplishment, but its force can be appreciated by a study of the following tabulation for the four year period immediately preceding, in which it is shown that the cost increase was nine times as great as the enrolment increase.

FOUR YEAR TABLE (1918-1922)

	Enrolment	Cost Exclusive of Outlay
1922	3,666	$ 324,524.00
1918	3,299	$ 163,109.00
Increase	367	$ 161,415.00
Percent of Increase	11	99

There is a great deal of comment at present in many localities on increasing school costs and the extravagance of school administrations. It may be that much of it is justified, but it is important that Arlington realize that what many other places are now beginning to think and talk about was actually undertaken by the Arlington School Department four years ago and has since been continued.

III. OVERCROWDING AND BUILDINGS

1. Elementary Schools:

TABLE SHOWING OVERCROWDING TENDENCIES IN SPITE OF RECENT BUILDING OF ELEMENTARY SCHOOLS

Schools	No. of regular class rooms	No. of class groups school year 1926-27	No. of Prosp. class groups fall of 1927		
			Minimum		Maximum
Crosby	16	16	18	or	19
Cutter	16	17	19	or	20
Hardy	16	16		16	
Locke	16	17	18	or	19
Parmenter	7	7		7	
Peirce	8	9	11	or	12
Russell	12	13	13	or	14
	91	95	102	or	107

The above tabulation shows that we already have four more classes than regular class rooms in the elementary department of the school system, and that next Fall we will have from eleven to sixteen more classes than class rooms. It will be observed, however, that the condition is such that an addition to the Peirce School would relieve the crowding at the Peirce, Cutter and Locke Schools. I would recommend, therefore, that plans which would make available for use an eight room addition to the Peirce School, not later than the fall of 1928, be undertaken immediately.

The relief to the Cutter School from the Peirce School addition will be only temporary, because of the fact that the Cutter School district is building up so rapidly. It will probably be necessary, therefore, to arrange for the building of an eight room school in the Brattle Street section, not later than September, 1929.

2. Junior High Schools:

TABLE SHOWING OVERCROWDING IN JUNIOR HIGH SCHOOLS

Schools	No. regular Class rooms	No. Class Groups Fall of 1922	No. Class Groups Fall of 1926	No. Class Groups Fall of 1927
Junior High Center	13 2 (portable)	15	12 2 (Indus. Class)	14 3 (Indus. Class)
Junior High Parmenter	—	—	8	9
Junior High West	12	12	15	18
	27	27	37	44

In the Fall of 1922 there was an even balance between the number of Junior High School class rooms and the number of class groups, there being at that time twenty-seven available class rooms and twenty-seven classes. At that time the Junior High Schools were understood to be well filled, and the principal was in the habit of referring to them as crowded. Since that time there has been an increase of ten class groups, and for the Fall of 1927 there is already in sight an increase of sixteen class groups over 1922, with no additional rooms provided except the extremely temporary makeshift at the old Parmenter property. This means that next Fall there will be sixteen more Junior High School class groups than we have proper class rooms to accommodate. By the Fall of 1928, when we may reasonably expect Junior High School East to be ready for occupancy, the total number of Junior High School groups, according to the number of classes already in our elementary schools, will be at least forty-six, which is nineteen more than regular Junior High School class rooms available. This will serve to show without doubt the imperative need of a twenty class room Junior High School in East Arlington.

The above statements make obvious the fact that the Junior High School situation must be distressingly

overcrowded. In Junior High School West there are fifteen groups in a twelve room building and one-room portable. This means that every available space, whether **suitable or not,** must be used for class rooms. Academic classes are being taught in the cooking room and the wood working shop, amid surroundings and equipment not adapted to the work, and without needed equipment which cannot be accommodated under the conditions. Use must be made also of the auditorium and teachers' room for academic classes. None of these rooms is adapted to academic class work.

In Parmenter-Junior High School, a branch from Junior High School Centre, use is being made of rooms in three different buildings, none of which is adapted to a Junior High School program. A two room portable, four rooms and two basement rooms in the old frame building,—a basement room, a second floor room and an attic room in the New Parmenter building are all needed to accommodate the work of this Junior High School unit. This sounds bad enough, but a better conception can be obtained of the conditions under which students and teachers work if this organization is likened to a seven story building with two rooms on each of four levels and one room on each of the other three. The amount of climbing in such a building would illustrate exactly what the Parmenter Junior High School pupils have to go through each school day. These facts together with the fact that the equipment of these rooms and all other accommodations in this organization are sadly inadequate, cause us to insist that Junior High School East should be made available for use as soon as it is possible.

Since Junior High School West will be so badly overcrowded next Fall that it will be necessary to have a double organization with the upper classes in the morning and the lower class in the afternoon, and since this school will doubtless be overcrowded even

after the erection of Junior High School East, it will be necessary to arrange for an eight room addition to this building, not later than September, 1929, which is in the same year as an eight room building in the Brattle Street section will be needed. This doubling of building projects in 1929 is due to the nearly two year delay in the Junior High School East building.

3. High School:

An idea of what is to be expected in the High School organization within the next few years can be obtained from the following facts:

The present enrolment at the High School is 800;

The capacity of the present High School is between 850 and 900 pupils;

The present enrolment in the Junior High Schools is 1200, the lowest grade of which is only three years removed from the sophomore year of the High School. If it is fair to expect that the additions from out of town will balance the number of pupils leaving school, there will be 1200 students in the High School by the Fall of 1929, or certainly by 1930, which will force a double organization, with the upper classes in the morning and the lower class in the afternoon, unless additional High School accommodations are provided by that time.

IV. UNFINISHED WORK AND IMMEDIATE NEEDS:

In the last annual report attention was called to several needs under the heading of unfinished work. Unfortunately, little progress in these items has been accomplished since the necessary appropriation or authorization has not been obtained. The following needs sound, therefore, much like repetition of a portion of last year's report, but since they are important it is necessary for me to bring them forward:

1. Addition to the Corps of Supervisors:

We have full time supervisors for Art, Music, Physical Training and Special Classes, also part time supervisors for Household Arts, Mechanic Arts and Penmanship, but the Superintendent of Schools, in addition to his other numerous duties, is expected to supervise all other subjects in all the schools. The size of the department requires, in order that this general supervision may be carried on effectively, that a supervisor for elementary school work be provided to assist the Superintendent; and later a supervisor of secondary school work should be appointed to attend to the correlation of all the subjects between the Junior High Schools and High School, as well as the uniformity of work between the Junior High Schools themselves and later, between the two High Schools, when another is in operation.

It is not **relief** from the supervisory work that the Superintendent wants but **assistance** in supervision so that after the needs of a certain class or grade have been discovered and a program to improve the situation has been outlined by the Superintendent, some of the details can be cared for by an assistant in order that the Superintendent's attention can be turned to discovery of other needs and to formation of a helpful program to fill those needs.

2. Improvement of Salary Situation for Teachers:

Some progress has been made along this line recently but not enough has been done to avoid the danger of which warning was given in last year's report: "Unless something is done to improve the situation, the result will be reflected in the teaching personnel and the Arlington School Department will be in danger of being forced into a back seat from its present position among the foremost school departments of the Commonwealth."

We believe that our present maximum salary figures of $1600 for Elementary, $1800 for Junior High School and $2000 for Senior High School teachers are adequate general maxima, but we believe also and we recommend that some plan of salary payment beyond the maximum should be established by which teachers may earn an advance in salary beyond the general maximum rate and by which Arlington may retain the services of the most desirable teachers in spite of higher maximum rates elsewhere.

3. Improvement of Playgrounds:

Last year a beginning was made on the improvement of the lot back of the High School building and it is hoped that a larger amount may be appropriated this year as the space is greatly needed by the High School Physical Training and Team groups of both girls and boys.

The Junior High School West playground is not only in unsatisfactory condition, but it is in dangerous condition and should be put in order as soon as an appropriation can be made for the purpose.

The Peirce School is sadly in need of an adequate playground and the Locke School is even more in need of better playground space. An appropriation should be made each year until these schools have play spaces fit for the play activities of the pupils.

V. IMPROVEMENTS FROM CHANGES AND ADDITIONS

1. The work of attendance has been greatly improved by the acquisition of the services of a Supervisor who is splendidly equipped by training, initiative and judgment to render unusual service to the Department. She is giving great assistance, not only in the supervision of attendance, but also in the allied fields of guidance and adjustment.

2. The course of the Junior High School Industrial Class has been improved and extended by the assignment of several additional teachers for this work, one for academic subjects, a second for industrial work for girls, and a third for industrial work for boys.

3. The last step in revision of the Household Arts course has been taken—instead of sewing being required as formerly in grades IV, V and VI, and elective for the remaining six years, instead of cooking being required in grade VII and elective thereafter, we now have sewing required in grades VI and VII, elective for the remaining five years, and cooking required in grade VIII and elective for the remaining four years. This plan not only makes a course with better continuity but it tends to retain the interest of the girls in the upper years of the work, where there is the better equipment for teaching the subjects.

4. A change in the plan for mid-year examinations has resulted in saving about one week of school work by eliminating the formal examinations in January and replacing them with tests given during the year at the end of any particular phase of the work of each course. The results of all of these terminal tests in any subject take the place of the mid-year examination. The final examinations in June are retained.

5. A change in the Commercial Course has been effected by eliminating the teaching of typewriting from the Junior High School. This was done in the belief that typewriting is a purely Vocational subject and should not be spread over more years of the course than is necessary. It is certain that typewriting can be taught and all the other Commercial subjects can be thoroughly covered in the Public School Course if not begun before the Sophomore year.

6. The work in Penmanship has been greatly improved by the change from the Palmer to the Houston

Method of Writing and by the good fortune of having employed a Supervisor who is probably the best Houston Supervisor in the field.

All of these changes are in the line of improvement and not simply with the intent to have something new or different. They reflect our desire to keep pace with, indeed, a pace ahead of the march of progress.

Through the medium of the closing words of this report, I wish to express my gratitude for the intelligent appreciation of my problems and work shown by the members of the School Committee, also for the helpful counsel and hearty support with which they have supplemented my efforts. For the splendid co-operation, and the willing helpfulness of the members of the faculties and the other employees of the department, I am also deeply grateful.

Respectfully submitted,

(Signed) CHESTER A. MOODY,
Superintendent of Schools.

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To the Town of Arlington:

The Trustees of the Robbins Library submit their annual report.

A ride or walk around Arlington would impress one with the growth of the Town. This increase in the number of townspeople is an added strain on the resources of the library.

The modern library is not simply a storehouse for books or a place from which novels may be borrowed—the modern library is a continuation school—a place where pupils may obtain material to supplement their textbooks as well as a place in which true lovers of literature may browse among books.

Books for recreational reading form a large portion of our collection and are always in great demand. However, the readers of non-fiction are increasing, and we have requests for books on accounting, advertising, history, psychology, child study, biography and travel, to mention a few of the subjects in constant demand. The library seeks a close co-operation with the schools, and the students come to the library in large numbers, taxing to the utmost the resourcefulness of the librarians.

The circulation of books and periodicals from the Central Library and Branches was 119,774 in 1926, showing a gain of 17,618 over the circulation in 1925.

The Trustees are very much gratified over the large increase in circulation in both adult and juvenile departments in the main library. There is also a credit-

able increase in both branches, particularly considering their limited collection of books. This large increase in circulation entails more work on the part of the assistants. The Trustees wish to express their appreciation of the fine spirit of service and co-operation on the part of the library staff.

There was a gain of 1217 in the attendance in the reading room. It is difficult to give a sum total of the work accomplished in this department, inasmuch as an increase in attendance can in no way convey an idea of the time consumed in assisting readers.

1795 new borrowers registered in 1926, showing a gain of 228 over 1925.

There has been a gain of 7841 in books taken from the stack room—67591 as against 59750 in 1925. The use of periodicals shows a gain of 211—3305 as against 3094 in 1925.

Through the Inter-Library loan system 23 books were borrowed from the Boston Public Library in 1926. We also borrowed one book from the Cambridge Library, the Somerville Library and the Waltham Library.

We wish to thank the many interested citizens who have donated books, periodicals and pictures to the library. We are always very grateful for these gifts, particularly for recent fiction. We also wish to thank those who have given flowers to the library.

We wish to express our appreciation of the kindness and goodwill of Miss Grace Parker of the Arlington Advocate for printing our notices and book lists without charge. We also thank Mr. C. S. Parker for giving to the library a complete file of the Advocate for 1926.

During the past year several groups held exhibitions in the library—Camp Fire Girls, Southern Middle-

sex Health Association, and the pupils of Mrs. W. Elliot Hanna of the Arlington High School loaned pictures and posters. Mrs. Frank Hodgdon loaned a collection of early United States money. A keen interest was manifested in these exhibitions.

Mrs. George B. C. Rugg continued her lectures on current books in the Art Gallery on the third floor. The use of this room for lectures was somewhat in the nature of an experiment, as there is no partition closing off the gallery from the rest of the library. It has not proved very successful, because the noise from the circulation department was annoying and there is no way of ventilating the room.

New catalogue cases were purchased for both the adult and juvenile departments.

The need for more books was mentioned in the 1925 report, and again we must emphasize the need for additional books in all classes in the main library and branches. During 1926 we have added more books than in previous years. However, we have not been able to purchase sufficient new books and replacements to meet the demand.

During July and August the library closed on Wednesday and Friday at six o'clock.

LIBRARY STAFF

At the close of the year the Trustees appointed Miss Frances Hubbert librarian. Miss Elizabeth J. Newton was made associate librarian.

During the past year there have been many changes on the library staff. Miss Edith Rice, who has faithfully served the library during the past twenty-eight years, has had a prolonged illness. The library held her position open until recently when it was decided that a children's librarian must be obtained. Miss Helen Thompson was employed to fill the vacancy.

Miss Velma Moore, the reference librarian, resigned May 1st to be married. Miss Ruth Hennig was a substitute in the reading room in May and June, and on July 1st Miss Antoinette White, a graduate of the Simmons College Library School, joined the staff as reference librarian.

Miss Ruth Sampson joined the staff as a full time assistant after six years as a substitute.

CHILDREN'S ROOM

The circulation in the children's room was 33540 in 1926, showing a gain of 5364 over the circulation in 1925. Readers show a loss of 2321—12988 as against 15309 in 1925.

The steady growth of Arlington is most emphatically reflected in the children's room of the library. The Robbins Library was erected before a children's department was thought necessary. Consequently, no provision was made for such a room. A number of years later when the need of a juvenile department arose, the emergency was met by using half of the second floor stack room. This make-shift room has been fairly adequate until 1926 when the use of the room increased to such an extent that it became overcrowded in several ways. The floor space has never been large, and now that the number of children using the room has increased there is considerable congestion.

To meet the demand for more books, an effort was made during the past year to increase the juvenile book stock by duplicating standard titles and purchasing more new books. This has taxed the shelving space of the room, making necessary a temporary readjustment which will do for the present.

The increase in the number of children using the juvenile department has caused a decrease in readers, which sounds rather like a paradox. However, this can

easily be explained by the librarian. During the busy hours from 3 to 5:30 the children cannot be encouraged to browse. They must select their books and leave the room instead of sitting down to read. This does not mean that there is no room for reading in the children's room but that there is far less room than could be used to advantage.

The importance of having an attractive children's room with a good collection of books cannot be over emphasized. We feel that the time will soon be at hand when an addition to the library to provide a new children's room will be a necessity.

Many collections of books have been sent to the classrooms in the schools. If we had more books, it would be possible to co-operate to a greater extent than we are now able to do.

The library held its annual Children's Book Week exhibition in the catalogue room during one week in November. Many new books were on view as well as the old favorites in new dress. A fire was kept burning in the fireplace which added to the attractiveness of the room. In the glass case were shown some of the handsomely illustrated books for young people. There were in all 1021 visitors to the exhibition. Some of the teachers assigned a visit to the library during that week as one of the required lessons.

TOWN ENGINEER'S REPORT

Arlington, Mass., January 3, 1927.

To the Joint Board of Selectmen and Board of Public Works.

Gentlemen:

Herewith is respectfully submitted the annual report of the Engineering Department for the year ending December 31, 1926.

The Engineering Department furnishes all the Town departments and committees with such information, plans, designs, estimates and data of an engineering nature as they may require on work being done, or contemplated, also keeps careful notes, measurements and location of new work, additions, changes and extensions as they may occur, and properly records the same for future reference by maps, plans or profiles.

For the number and length of sewer and water mains constructed during the year, see Board of Public Works Report.

A large number of plans were verified by this Department and approved by the Board of Survey.

Plans were prepared for completing the grading at the Peirce School, Cutter School, Hardy School, Junior High School West and Parmenter School, and the work done under the supervision of this Department.

Street numbering plans of all new streets have been made, new buildings located, and numbers assigned.

Plans have been made by the various companies and corporations and filed in the Town Engineer's Office, showing the locations of structures for which permits were granted by the Joint Board during the year.

The Engineering Department has prepared plans and performed miscellaneous services for all the Town departments and for the Town Counsel.

Sidewalk, street betterment and sewer assessment plans were prepared, and assessments levied.

Annexed to this report is a table giving the names of all streets in the Town, public and private, lengths, widths and total mileage; also a table of general statistics pertaining to the Town.

Respectfully submitted,

GEORGE E. AHERN,
Town Engineer.

REPORT OF THE SUPERINTENDENT OF WIRES

To the Honorable Joint Board of Selectmen and Board of Public Works.

Gentlemen:

I respectfully submit my report as Superintendent of Wires for the year ending December 31, 1926.

STREET LIGHTING

During the year there were forty-three (43) 60 c.p. lights and fifteen (15) 600 c.p. lights installed in the following locations: Amherst street, two (2); Amsden street, four (4); Broadway, thirteen (13) 600; Bonad road, three (3); Draper avenue, one (1); Freeman street, two (2); Gray street, one (1); Hutchinson road, two (2); Massachusetts avenue corner Oxford street, one (1) 600; Old Mystic street, one (1); Orchard terrace, one (1); Park avenue, one (1); Peirce street, two (2); Pondview road, four (4); Rawson road, seven (7); Webcowet road, four (4); Webster street, eight (8).

Mystic street at Robin Hood Road, one (1) 600 c.p. light replaced one (1) 60; and the 600 c.p. light on River street near Broadway was moved to River and Warren streets.

There were nine (9) 60 c.p. lights removed.

Summary of street lights in service December 31, 1926; all night schedule; total hours 3,748.

ORNAMENTAL LIGHTING SYSTEM

50 Watt lamps, multiple, burning from 30 minutes after sundown to 11 P. M., 1,695 hours 49

Two of these lights on Pleasant street and two on Academy street, corner of Maple street, burn all night.

INSPECTION OF WIRES IN BUILDINGS

Two thousand two hundred and nineteen (2,219) permits for electrical construction were issued—seven hundred and eighty-four (784) were free, and one thousand four hundred and thirty-five (1,435) with fee. The fee of fifty cents for each permit went into effect May 22, 1926.

There were three thousand three hundred and thirty-one (3,331) inspections made; and two thousand two hundred and fifty-eight (2,258) installations approved.

No fires were caused by defective wiring during the year.

POLES AND WIRES ON STREETS

The Edison Company, the Telephone Company and the Boston Elevated Railway installed ten (10) new poles, replaced one hundred and twenty (120) poles, and relocated five (5) poles on public streets during the year.

FIRE ALARM SYSTEM

There were four (4) Fire Alarm boxes installed as follows: Box 414, Gray street, corner Churchill avenue; box 431, Summer street, corner Grove street; box 432, Hemlock street, corner Pine street; box 461, Dudley street, corner Dudley court.

Box 43 was moved from Summer and Grove streets to Massachusetts avenue opposite Mt. Vernon street (new location) and box 45 was moved from Massachusetts avenue opposite Walnut street to Massachusetts avenue corner Brattle street (new location).

Arlington-Lexington Mutual Aid went into effect December 29, 1926.

This system is working with Belmont, Lexington. Medford and Somerville; and we have every reason to believe that Cambridge and Winchester will be connected with us early in 1927.

UNDERGROUND AND OVERHEAD CABLES

During the past year there were installed in underground conduits nineteen thousand eight hundred sixty-three (19,863) feet of lead-covered cable; and eleven thousand two hundred forty-seven (11,247) feet of fibrex dry cable were attached to poles overhead, representing nearly fifty (50) miles of high grade single No. 14 rubber-covered wire.

WIRING FOR FIRE ALARM AND POLICE SIGNAL SYSTEM

The repeater installed in the old Fire Alarm Headquarters provided for four circuits, which arrangement was suitable for the conditions existing at the time of its installation. The rapid development of the Town placed too great a load upon these circuits, consequently the present repeater installed in the new Fire Headquarters provided for eight circuits.

A considerable amount of additional wire was required to effect this change and to provide a gong circuit, a departmental telephone system connecting the three fire stations, the establishing of mutual aid facilities with Lexington and Winchester, also for the new Police Department Headquarters, dividing the present system from four into six circuits.

POLICE SIGNAL SYSTEM

There were two (2) Police boxes installed in the following locations: Box 212 on Webster street, beyond

Warren street; box 14 on Milton street at Brooks avenue. Box 43 was changed from a three to a five point box; and box 21 was moved from Medford street and Lewis avenue to Medford street and Parallel street.

Respectfully submitted,

W. E. MASON,
Superintendent of Wires.

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works herewith submits its annual report for the year ending December 31, 1926.

At the Town Meeting held on March 1, 1926, Walter F. Robinson was elected member of the Board for the term of three years. The Board organized on March 8 with the choice of William S. Fairchild as chairman.

APPOINTMENTS

At a meeting held on March 29, Harold N. Willis was appointed Clerk of the Board, Water Registrar and Purchasing Agent. March 29, George E. Ahern was appointed Superintendent of Public Works. These appointments were for the year ending April 1, 1927.

On May 17, Harold N. Willis tendered his resignation, which the Board accepted at their meeting of May 24. At a meeting held on June 1, S. Alfred Benson was appointed Clerk of the Board, Water Registrar and Purchasing Agent for the balance of the year, ending April 1, 1927.

MEETINGS

The meetings are held Monday evenings. During the year the Board held fifty-two regular and six special meetings.

The following are the next expenditures made under the direction of the Board:

HIGHWAY DIVISION

During the year portions of Lake Street and Massachusetts Avenue were reconstructed at a total cost of $37,407.70. Lake Street, from Massachusetts Avenue to a point 300 feet west of Spy Pond Lane (2,534 feet) was reconstructed with bituminous macadam at a net cost of $11,404.30. Massachusetts Avenue, from the Lexington line to Paul Revere Road, was reconstructed with a reinforced mixed concrete as a center travelway and bituminous concrete on the sides, at a total cost of $26,003.40; of this amount the State and County each reimbursed the Town $8,000.00, making a net cost to the Town of $10,003.40.

Fifteen thousand, nine hundred and thirty-seven dollars and four cents was expended in surfacing public streets with either tar or asphaltic oil; $31,674.62 was expended for the maintaining and cleaning of streets. Five thousand, five hundred and seventy-five dollars and seventy-four cents was expended on the care and repair of the storm drain system. Five thousand, seven hundred and ninety-four dollars and ninety-six cents was expended upon the upkeep of gravel sidewalks and $1,908.76 on the care and repair of permanent sidewalks. Five thousand, five hundred and eighty-three dollars and seventy-one cents was expended on miscellaneous highway equipment.

Table 2 shows the expenditure for the year on Snow and Ice, construction of new streets and installation of Storm Drains.

SEWER DIVISION

Eleven thousand, six hundred and twenty feet of main sewer were laid during the year, and three hundred and fifty connections were made with the mains. Details of sewer construction and maintenance will be found in Tables 4 and 5.

Due to the installation of the new Metropolitan sewer main and the Town being able to enter the same, the three pumps located at Medford Street, Grove Street and Brattle Street will be discontinued, which will afford a yearly saving to the Town of approximately $3,600.00.

WATER DIVISION

Fourteen thousand, five hundred and forty-four feet of water mains were laid during the year and connected with the Metropolitan system. Details of this construction will be found in Table 6.

Services

Four hundred and eighty-seven new services have been added during the year and seventeen services abandoned. There are for all purposes 2,833 on the low, 2,605 on the high, and 14 on the old reservoir system. On the Metropolitan water supply there are 23 services for municipal buildings included in the above, 2 for street watering standpipes and 40 for sewer flushing purposes. On January 1, 1927, 176 services were temporarily out of use.

Meters

Four hundred and seventy meters were set on services installed during 1923, 1924, 1925 and 1926. The total number of meters in use January 1, 1927, is 5,410.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS

January 11, 1927.

To the Honorable Board of Selectmen,
Arlington, Mass.

Gentlemen:

The Joint Board of Selectmen and Board of Public Works respectfully submits its twenty-third annual report for the year ending Dec. 31, 1926.

At the Annual Town Election held March 1, 1926, Mr. Hollis M. Gott was elected Selectman for a term of three years, and Mr. Walter F. Robinson was elected a member of the Board of Public Works for a term of three years. By virtue of such election, they became members of this Board.

The Board was organized with Frederick W. Hill, Chairman, and John A. Easton, Clerk.

The following appointments were made for the year ending April 1, 1927: Town Counsel, Paul M. White; Town Engineer and Supt. of Public Works, George E. Ahern; Inspector of Wires, William E. Mason.

STREET LIGHTING

The existing lighting schedule was continued, and during the year new lights were installed on all streets accepted by the Town at its annual meeting. Ornamental and large candle-power lights were substituted for low candle-power lights, and additional lights were installed at points recommended by the Inspector of Wires.

Appropriation for street lighting, 1926	$21,100 00
Amount expended for street lighting, 1926	20,815 29
Unexpended balance	$ 284 71

FIRE AND POLICE BOXES

Additional Fire alarm boxes were installed at the following points:

461 cor. Dudley St. and Dudley Ct.
414 cor. Churchill Ave. and Gray St.
431 cor. Summer St. and Grove St.
432 cor. Hemlock St. and Pine St.
43 moved to Mass. Ave. opposite Mt. Vernon St.
45 moved to Mass. Ave. opposite Brattle St.

Additional Police signal boxes were installed at the following points:

14 cor. Milton St. and Brooks Ave.
212 Webster St., cor. Exeter St.

The underground cable system was extended in Mass. Ave. from the Centre to Park Ave., making possible the dividing of the Fire Alarm signal service into eight circuits which consequently reduces the possibility of having the entire system rendered useless at any one time by lightning or other causes, thereby depriving the Town of proper protection.

RECONSTRUCTION OF MASS. AVE. AND LAKE ST.

Senator Warren and Representative Currier were instrumental in securing an allotment of $8,000 from the Commissioner of the Department of Public Works and a like amount from the Middlesex County Commissioners, to apply to the cost of reconstructing Mass. Ave. from the Elevated carbarns to the Lexington line. This work was done under the supervision of the State engineers and was of the same type of construction as Broadway. The work was completed early in November.

After the cost of reconstructing Mass. Ave. was determined, there was an available balance in the appropriation for maintenance and construction of highways to

reconstruct Lake St. of penetrated asphalt from Mass. Ave. to a point approximately 300 feet beyond Spy Pond Lane.

The reconstruction of these two sections of main highways has given general satisfaction to the traveling public.

NEW STREETS

This year has witnessed the acceptance and construction of eleven streets, the largest number of streets constructed in any one year. The amount appropriated for this purpose was approximately $150,000, and by reason of the large amount involved, very much lower contract prices were obtained than heretofore.

The Board is strongly of the opinion that it is desirable to accept and construct as many streets each year as possible, giving to the residents of such streets better protection, increased convenience, greater satisfaction, and a justifiable pride in the improved appearance of the approaches to their respective homes.

For the next few years it is to be expected that requests will be made to accept and construct new streets as they become substantially developed.

SIDEWALKS AND EDGESTONES

An unprecedented number of requests were received for the construction of granolithic sidewalks and edgestones. The total cost of such construction was approximately $20,000, or twice the amount appropriated at the Annual March Meeting. Obviously it was not possible for the Board to grant all of the requests; therefore the Board decided to construct sidewalks on residential streets only, and no sidewalks were constructed out of this appropriation in front of business property.

The Board will ask for an appropriation of $20,000 for the coming year, so as to be prepared to care for the large number of requests known to be forthcoming.

NEW DEVELOPMENTS

The Joint Board, sitting as a Board of Survey, approved and signed the Board of Survey plans of James H. Murray for the development of the Irwin Farm; of Robbins & Smith for the development of Newport and Scituate Streets; and of Herbert F. Allen for the development of the Crosby Farm on Lake St.

There are still a number of large tracts of land that are desirable for home sites, and it is probable that these will be opened up and developed within the next few years. The Town is still in the period of growth and expansion, and this Board, so far as it has power, will endeavor to see that these latter developments shall be along lines that will be consistent with the purpose and intent of the new Zoning and Building By-laws.

FREDERICK W. HILL,
NELSON B. CROSBY,
HOLLIS M. GOTT,
WILLIAM S. FAIRCHILD,
JAMES R. SMITH,
WALTER F. ROBINSON,

Joint Board of Selectmen and Board of Public Works.

REPORT OF PLANNING BOARD

To the Honorable Board of Selectmen:

Gentlemen:

During the past year there has been a gratifying decrease in the number of petitions filed for modifications of the Zoning By-Law and Plan. This would seem to indicate that at least for the present a fairly stable zoning condition had been reached. There still remains, however, considerable undeveloped territory now chiefly used for farming purposes which will probably come into the market as soon as the present somewhat excessive building has been absorbed. As these undeveloped areas possess great possibilities as regards attractive and proper development, if suitably handled, it is to be hoped that the Town will maintain its present attitude as evidenced at the Town Meetings as regards any departure from the present general plan or any lowering of the existing zoning restrictions.

In accordance with the instructions of the last annual Town Meeting, the Board has had under consideration certain projects during the year which were a part of its Town Plan and which in its judgment were those which should receive the first attention. These projects on all of which some progress has been made are as follows:

Situation at junction of Pleasant Street and Mass. Ave.

Extension of Warren Street to a junction with Mystic Street.

Connection between Mystic River Parkway and proposed road along the easterly shore of Spy Pond.

Enlargement of Town Hall lot by acquisition of property now privately owned.

In connection with one of the studies made by the Board it was extremely pleasant to receive offers from two citizens, Messrs. Franklin and Daniel Wyman, of gifts of land for possible street widening. This is mentioned as it is sincerely hoped that other property owners will realize the ultimate benefits to be derived from making gifts of land to the Town when the same can be used as a part of some well-defined public improvement.

The personnel of the Board has been changed during the year by the retirement of Mr. Robert W. Pond upon completion of his term of office and by the election of Mr. John R. Foster. Mr. Pond had been a member of this Board from its inception and had rendered valuable assistance in connection with municipal engineering problems. Upon organizing for the year, Mr. Charles M. MacMillin was re-elected Chairman and Mr. Herbert M. Dutcher, Secretary.

With reference to the Town Plan previously referred to, the Board feels that the very favorable reception accorded this report by other localities should be noted. Many requests for copies of the report have been received from colleges and libraries for reference purposes. As a matter of cooperation within the State a copy of this report has been sent to every town or city having a zoning ordinance or considering one. This involved the distribution of about 85 copies of the report.

In closing the Board again desires to thank those departments of the Town which have endeavored to cooperate with it in its work. The action of the Finance Committee in delegating a representative to attend any public hearings held by the Board is also of interest and should be noted at this time.

CHARLES M. MACMILLIN,
HERBERT M. DUTCHER,
CYRUS E. DALLIN,
CAROLYN B. REED,
JOHN R. FOSTER.
Planning Board.

REPORT OF THE BOARD OF PARK COMMISSIONERS

Honorable Board of Selectmen, Arlington, Mass.

Gentlemen:

The Board of Park Commissioners beg to make the following report for the year 1926.

The usual routine work of caring for the land under their jurisdiction has been done as far as their appropriations have allowed. We still strongly feel that, with the growing population of Arlington, more land should be set aside for park purposes, and we are working on a program for the gradual development of the park system together with the playgrounds.

This year, we have done a good deal of construction work. In Menotomy Rocks Park, the shores of the pond have been cleaned up to the level of the water, and a water gate has been installed so that the pond at times can be drained to be cleaned. An acre of land has been partially levelled for playground purposes, and this work we hope to finish the coming year if sufficient appropriations are allowed. We also intend to install a nursery the coming year for small trees and shrubs near the pond, which will be a saving and benefit to the Town. The walks in Menotomy Rocks Park need to be re-surfaced, and this work has been partly completed as far as our appropriation would allow.

In Meadow Brook Park, we have completed the rough grading of a playground, and have received considerable fill from the Town, which has aided us greatly in this project. The further end of Meadow Brook Park has been partially filled with ashes, but a very large amount more is needed, and we have consulted the Board of Public Works several times to obtain the necessary amount.

We have hired a permanent man for the care of the different parks, which will enable us to attend to this work more efficiently, and at a saving to the Town. We have met with the sub-committee of the School Committee, and through this joint committee, and under the jurisdiction of the Board of Public Works, over 250 feet of culvert has been completed to control the brook that runs through the land in back of the High School, taken for playground purposes. It is our hope that during the coming year we will be able, through sufficient appropriation, to continue this culvert and grade a large portion of this land, and make it possible for same to be used by the Town.

The Crosby School Playground has been re-graded as far as possible, and this needs considerable care. We recommend that a wire fence be built along Winter Street, Oxford Street, and the property line on the northerly edge of the lot—this to be done on a progressive scale. This would aid greatly to the safety of the children and tend to keep them out of the street.

We feel greatly indebted to the firemen connected with the Central Fire Station for their interest and work done at the Soldiers' Monument Park, and it is fitting to say that this Park has been attended to entirely by them, with no cost to the Town other than the supplying of lawn mowers, hose and other materials, and all credit for the splendid work accomplished is due to them.

Numerous areas, such as triangles at the junctions of streets and small plots which are under the jurisdiction of the Park Commissioners, have been kept in order as far as conditions would allow.

Respectfully submitted,

CHARLES L. FITCH,
PERCY A. GOODALE,
ROBERT M. BOYD,
Park Commissioners, Town of Arlington.

REPORT OF TREE WARDEN
(For Year Ending Dec. 31, 1926)

During the year this department has removed 21 large trees which were either dead or which obstructed public travel. The main cause of many of our old trees dying is that on account of their age they do not receive the necessary nourishment which is needed through the soil, on account of improved methods of construction of our sidewalks and roadbeds. Many trees which are in perfect condition are removed on account of obstruction due to change of grades, entrance to new buildings and construction of new streets. Two hundred and six trees were planted the past year. With the exception of a few, these trees have made a good start and in a few years will be an asset to the Town. I wish to call attention to the need of preserving our young trees from injury by school children, and ask the teachers in our public schools to co-operate with this department by instructing the school children in regard to the value and care of our trees and enlist their interest so that they will not climb, swing, cut, or in any way injure the bark.

At the expense of the Edison Light Co., all dead, dangerous and interfering limbs on all trees through which their wires pass were removed. This work was done by the employees of this department and carried on the Edison Light Company's payroll, which entailed an outlay to that Company of over $1,500. It is necessary that all the remaining trees be gone over this year as there are many dead and dangerous limbs and the lives of many of our fine middle-aged trees can be prolonged.

Twelve new streets were constructed the past year and to plant trees on the same it will take 364 trees. There should be 400 trees planted this year, namely, 364 on new streets and 36 on replacements. In my estimate for the coming year I have asked for $200 for the purchase of a thirty-foot permanent Christmas tree, the location where planted to be decided upon by the Board of Selectmen. I would recommend an appropriation of $5,125 for the coming year. This increase is due to the following items:

Christmas Tree	$200
200 Extra Trees	625
Extra Loam, Bolts, Supplies	100
Extra Trimming Labor	500
Extra Removal Labor	450
Extra Planting Labor	150
	$2,025

This increase may look large, but if we wish to properly tree our new streets already constructed and also to relieve the Town of the menace and danger of dead and dangerous trees and the liability of falling limbs, this increase should be granted. The following is a statement of expenditures for the year:

Storm Damage Labor	$25 50
Trimming Labor	529 06
Store House and Lost Time Labor	203 94
Removal of Trees Labor	359 63
Burn Brush Labor	30 50
Cementing Labor	9 25
Planting Labor	128 25
Private Labor	307 75
Departmental Labor	258 00
Supplies Labor	946 01
Salary Labor	600 00
	$3,397 89

Appropriation	$3,100 00	
Dept. Transfers	298 00	
		$3,398 00
Total Expense		3,397 89
Balance		$0 11

Respectfully submitted,

DANIEL M. DALEY,
Tree Warden.

REPORT OF THE TOWN COUNSEL
December 31, 1926

Joint Board of Selectmen and
Board of Public Works

Gentlemen:

The following is presented as my report for the year 1926:

The petitions of William A. Muller et al, Trustees of the Lockeland Real Estate Trust, of Alma L. Allen, of Catherine Goldsmith, of Charles N. Hayden et al, of Bertha W. Munch, of Jane L. Osborne, of Helen O. Rideout, and of Heber W. Youngken et al, for abatement of the assessments laid by the Board of Park Commissioners for the improvement consisting of the addition to the Menotomy Rocks Park, were tried to a jury, Leland Powers, Esq., representing the Town. In every case the jury found that the petitioner's estate was not benefited. As a result, the eight assessments amounting to $2,437.79 were abated and costs aggregating $184 were paid by the Town.

The petition of Edward J. McGivern for damages in connection with the establishment of the exterior lines of Higgins Street from Robbins Road to land formerly of Russell was disposed of, the Town paying a sum approved by the Selectmen.

Under direction of the Selectmen, assent was given to a decree in equity authorizing Symmes Arlington Hospital to mortgage its property subject to rights of the Town.

The following matters are pending in the Middlesex Superior Court:

1. Fifty petitions for the assessment of damages alleged to have been sustained in connection with the establishing of building lines on both sides of Massachusetts Avenue. Damon E. Hall, Esq. has been retained for the preparation and trial of these cases.

2. The petition of the Boston Elevated Railway Company for the assessment of damages alleged to have been sustained in connection with the establishing of building lines on Tufts Street.

3. The petition of Manuel M. Costa for damages in connection with the establishing of the exterior lines of "Mystic Lake Drive" from Hayes Street to land now or formerly of Russell Heirs.

4. The bills in equity of C. Alfred Myshrall and of Thomas Ryan to have certain parcels of land on the northerly side of Massachusetts Avenue decree to be free from certain zoning by-law restrictions.

5. The petitions of Hazel R. Lowe and of Lillian M. Wilkins for the assessment of damages alleged to have been sustained in connection with the relocation of Old Mystic Street by the County Commissioners.

In the Third District Court, there is pending the action of Leonard Schroeppel for damages from the alleged killing of his dog by a police officer.

In the Land Court, several petitions for registration of the title of land are pending and in these and other proceedings in said court the Town Counsel has appeared and taken action approved by the Selectmen.

In connection with the workmen's compensation act, the number and amount of the claims have increased. It might be well to consider the advisability of the Town's accepting Chapter 234 of the Acts of 1923, authorizing

the establishment of an insurance fund to pay workmen's compensation.

The Town Counsel has also attended to the settlement of several small claims, the disposal of actions in which the Town was summoned as trustee, the drafting of deeds and other instruments, has been present at meetings of various boards and committees and has furnished legal opinions when requested.

Respectfully submitted,

PAUL M. WHITE,
Town Counsel.
